COACH CHARLES COOVER

If Coaches were Immortal

This year Coach Coover has accomplished what every coach strives to attain in his career. He was named C.I.F. Coach of the Year. Everyone at Morse agrees that this fine man truly deserved this recognition of his achievements in developing an outstanding football team.

When the threat came of our night activities being ceased, Coach Coover, along with Mr. Thornton, fought to retain them, displaying his hearty Tiger spirit.

As the end of the football season rapidly approached, Coach Coover announced his resignation from the coaching staff, to devote his time as Attendance Co-ordinator. This was a decision of grave disappointment to the Morse student body, and to the team.

Surely Morse High has gained immeasurably from Coach Coover's contributions. He will go down in history as the coach who made this the "Year of the Tiger."

Mr. Frank Thornton, Principal

As Morse High School opened its doors for the start of the new school year, it found many new faces — the most predominant being Mr. Thornton. His congenial acts, such as socializing with the students at lunch and at all games, made people realize that some principals really care.

Mr. Thornton has fairly demonstrated his faith in today's teenagers as shown by his willingness to support Morse through her troubles in the fall. He made a point that his door was always open to anyone.

One thing that really annoys him is someone's unwillingness to do his share.

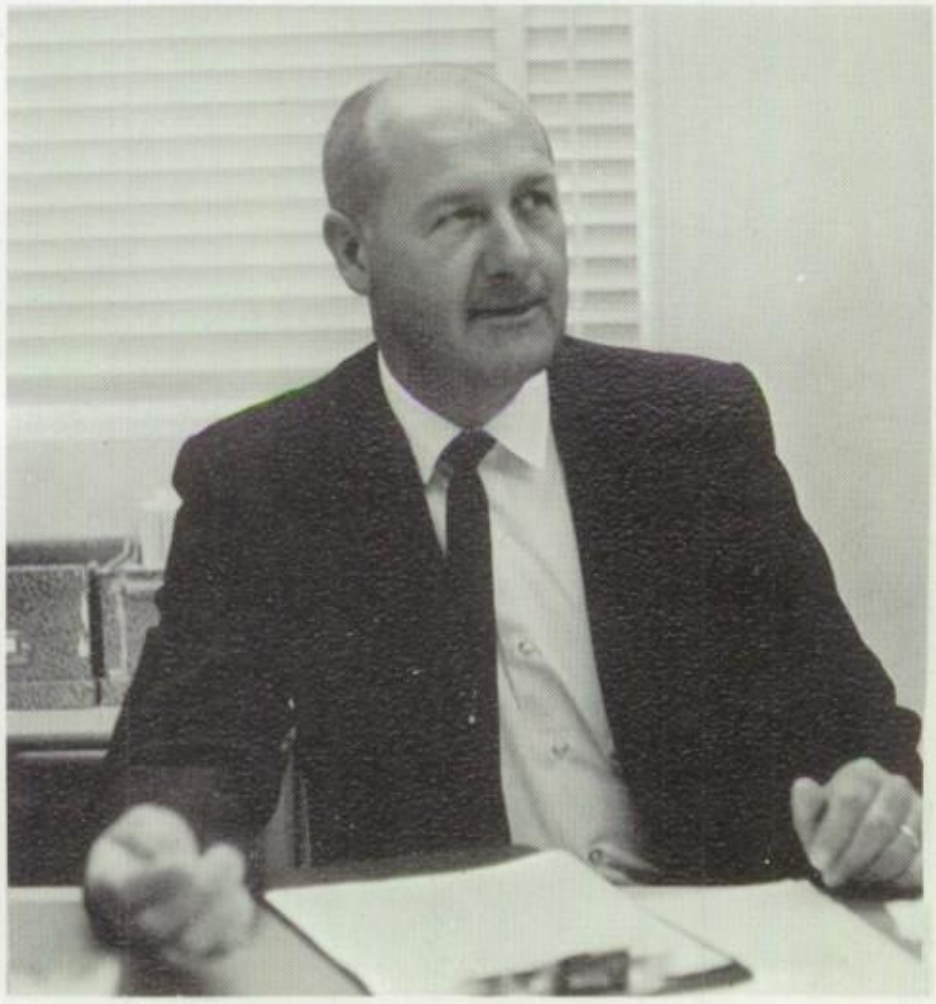
Mr. Gordon Leeson, Vice-Principal

As Vice - Principal and coordinator of all boys' activities, Mr. Leeson felt this year went by fine. He went on to say, "The student body has been very cooperative and I would especially like to express my appreciation to the senior class members for their leadership."

Mrs. Jeanette Kramer, Vice-Principal

Mrs. Kramer, girls' Vice-Principal, thought this really was the year of the tiger. The part of her job she enjoyed most was announcing Girl of the Year.

Mr. Quentin Goldstein, Administrative Assistant



The Administrative Assistant's position was filled by Mr. Goldstein this year. He was responsible for the many pep rallies enjoyed by the student body.

Counselors

Mr. Gerald Reckin, Head Counselor

Completing his second year at Morse, Mr. Reckin found his job hard work, but enjoyed it immensely. When not in his office, Mr. Reckin enjoyed playing handball and had great fun being emcee of the Awards Banquet held in December.

Mr. Donald Bender, Twelfth Grade Counselor

From their ridiculing sophomore year to their final day of triumph, the seniors were proud to have Mr. Bender as their counselor. He was always ready to advise his students and especially liked to socialize.

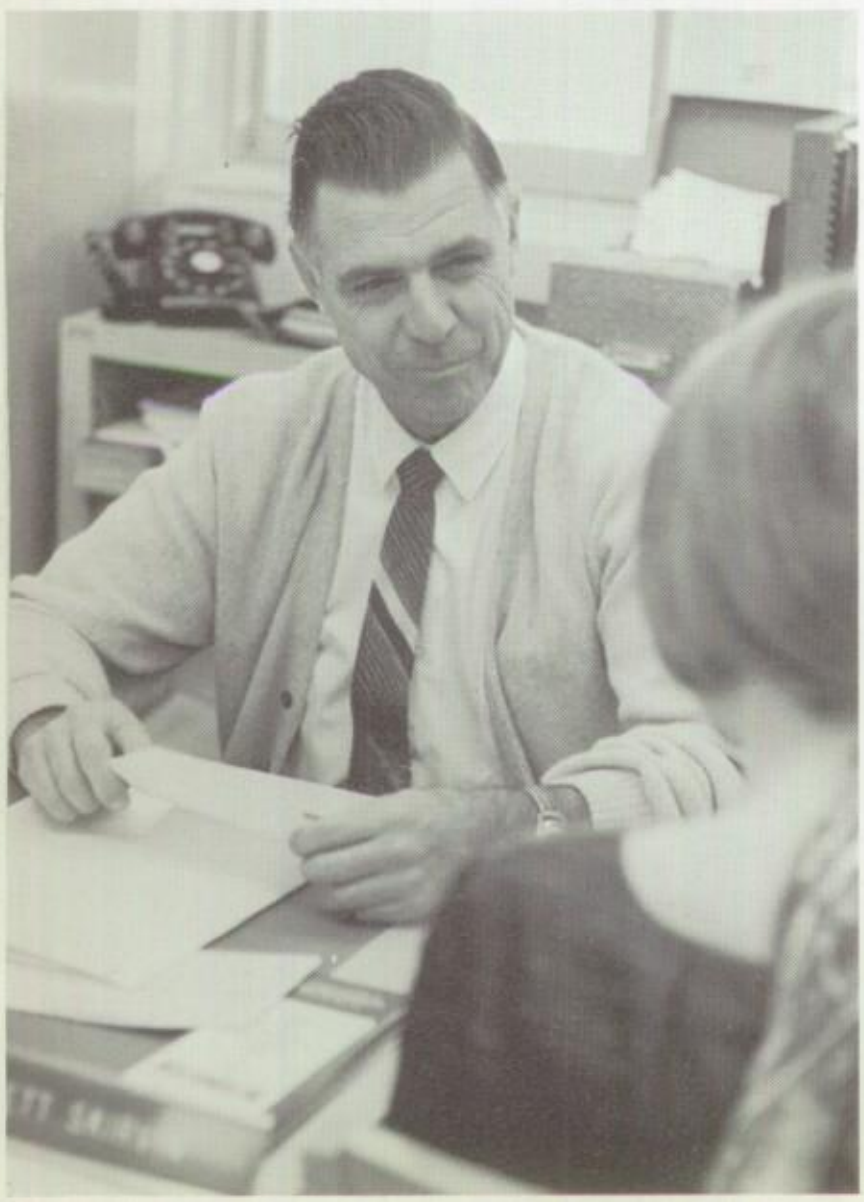
After taking over Mr. Atterbury's job as eleventh grade counselor, Mr. Avery had a rewarding year. Getting his confused juniors ready for their final year of high school showed his skill of counseling.

Mr. Arthur Avery, Eleventh Grade Counselor

Mr. Warren Huyser, Tenth Grade Counselor

Mrs. Jeanette Ela, Tenth Grade Counselor

Mr. Emmett Skirvin, Career Counselor



Mr. Robert Amparan, Career Counselor

Mr. George White, Parent Counselor

Mrs. Bertha Pendleton, Parent Counselor

Staff Helpers

Secretaries—Jean Engelkraut, Donna Edwards, Diane Kent, Joan Henson, Marjorie Feine, Marion Consol, Madeline Marietti, (not shown) June Walker, and Anita Toth.

Custodians—G. Donald, L. Coy, J. Reed, W. Cunningham, R. Wood, O. Purvis, G. Thomas, W. Wolfcale, C. Hanks. Standing—J. Alsop, M. Maxwell, B. Brown.

Mrs. Doris Smith, Nurse

Cafeteria Staff—Top row: Adelaide Wright, Mary Edmons, Eleanor Weedow, Wanetta Gillette, Bonnie Tweedy, Betty Spring, Ruth McCarr. Bottom row: Novella Chapman, Sue Cunningham, Jean Beck, Emily Hooker, Norah Mitchelson (mgr.), Albina Kastelic, Dorothy Price.

Mrs. Mildred Stites, Librarian

Mrs. Agnes Snyder, Library Clerk

Business

In the Business Department we missed Mr. Eaton's smiling face. When he was transferred to Patrick Henry High School, Miss Burnett and Mr. Hall joined the staff.

The other four teachers enjoyed their year at Morse. The student body wishes them many more successful teaching years.

Mrs. Harriet Ogata, Office Training

Mrs. Lila Severin, Shorthand

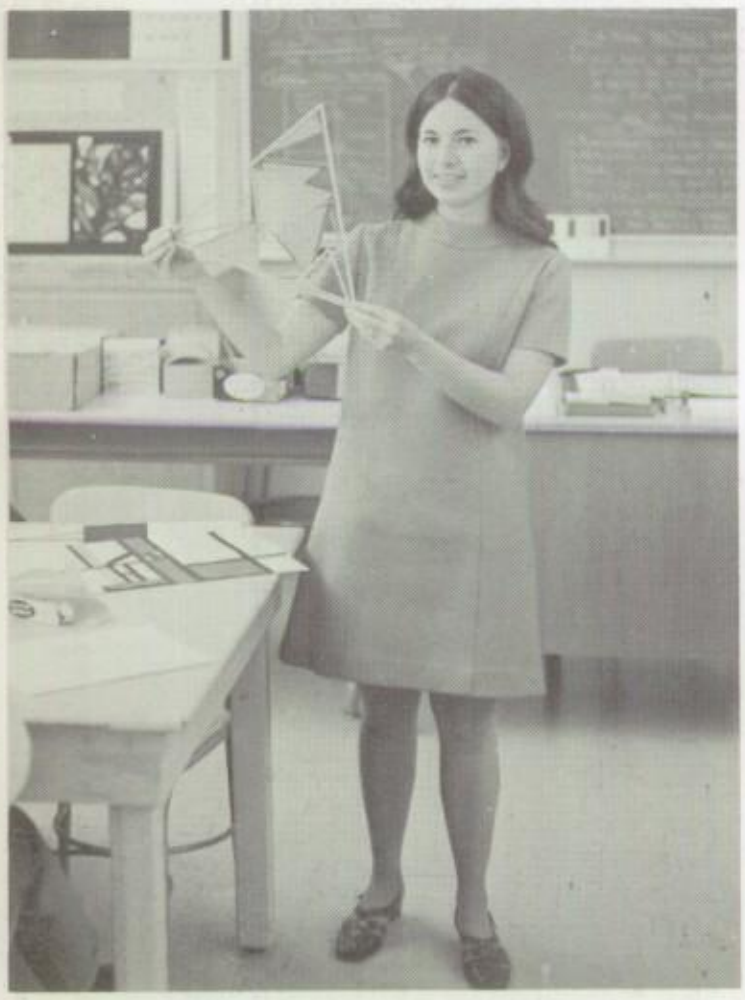
Mrs. Annette Blevins, Typing

Mr. Lee Darling, Bookkeeping

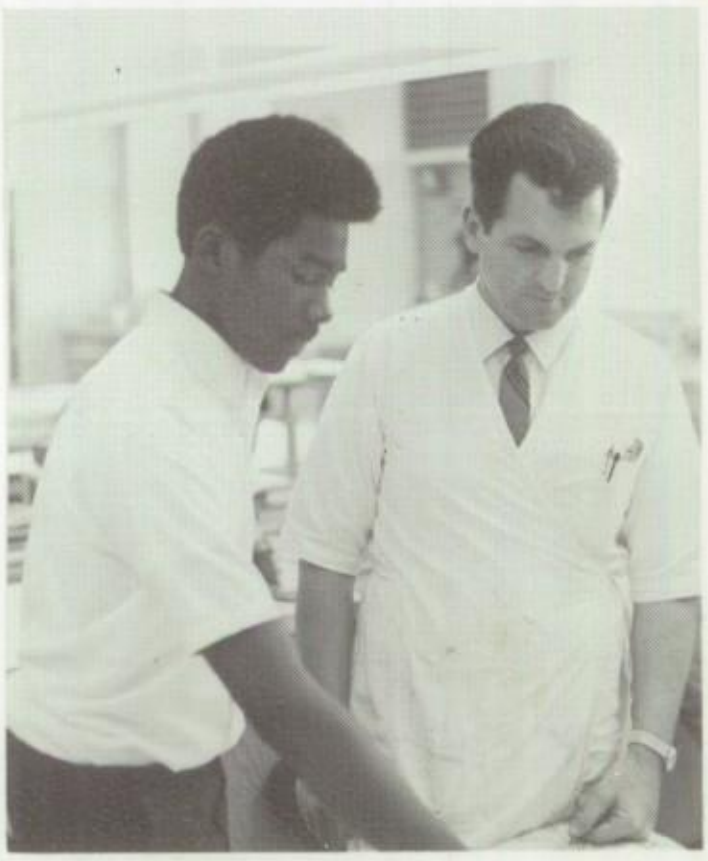
Mr. Dale Hall, Bookkeeping

Miss Comilla Burnett, Merchandising

Fine Arts

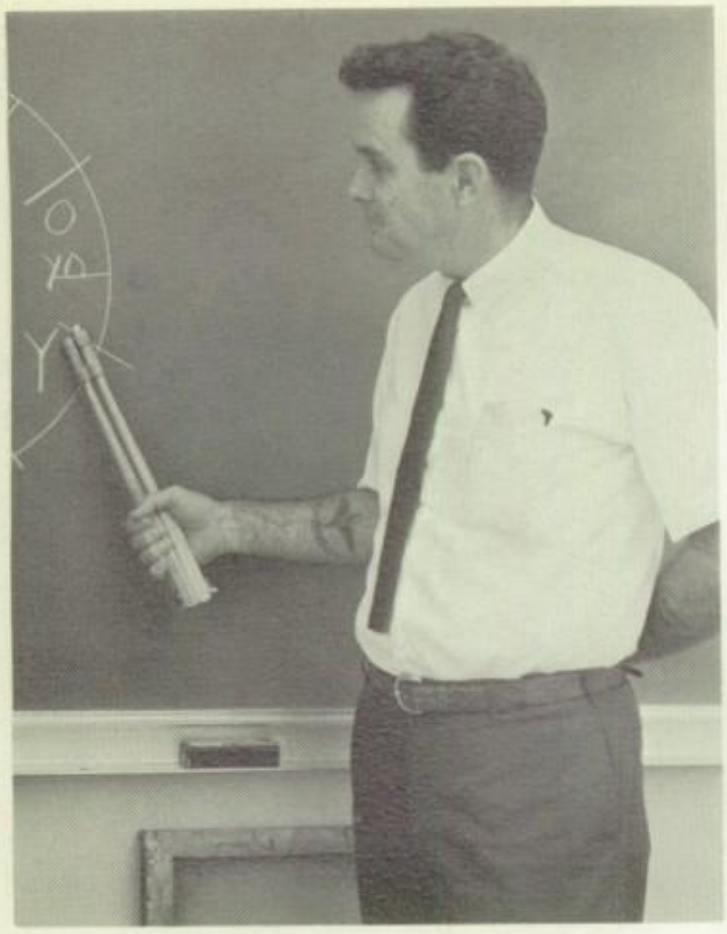


Mrs. Patricia Suggs, Color & Design



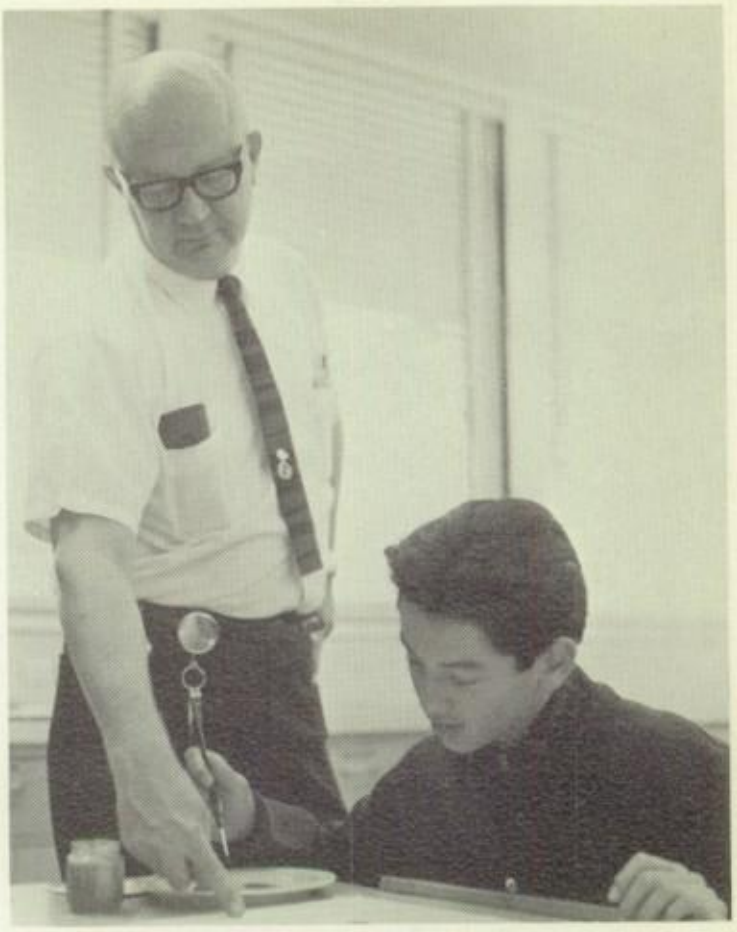
Mr. Rey Fackrell, Crafts

LAOS



Mr. John Gamelle,
Yearbook and Art

Mr. Blanchard, chairman of the Fine Arts department, was pleased to have four complete art rooms this year. Room 511 and Mr. Gamelle were gifted with a beautiful facility for cleaning paints, storing art supplies and art projects. "The expanding of our units gives the student a better chance to excel in the art field," replied Mr. Blanchard.

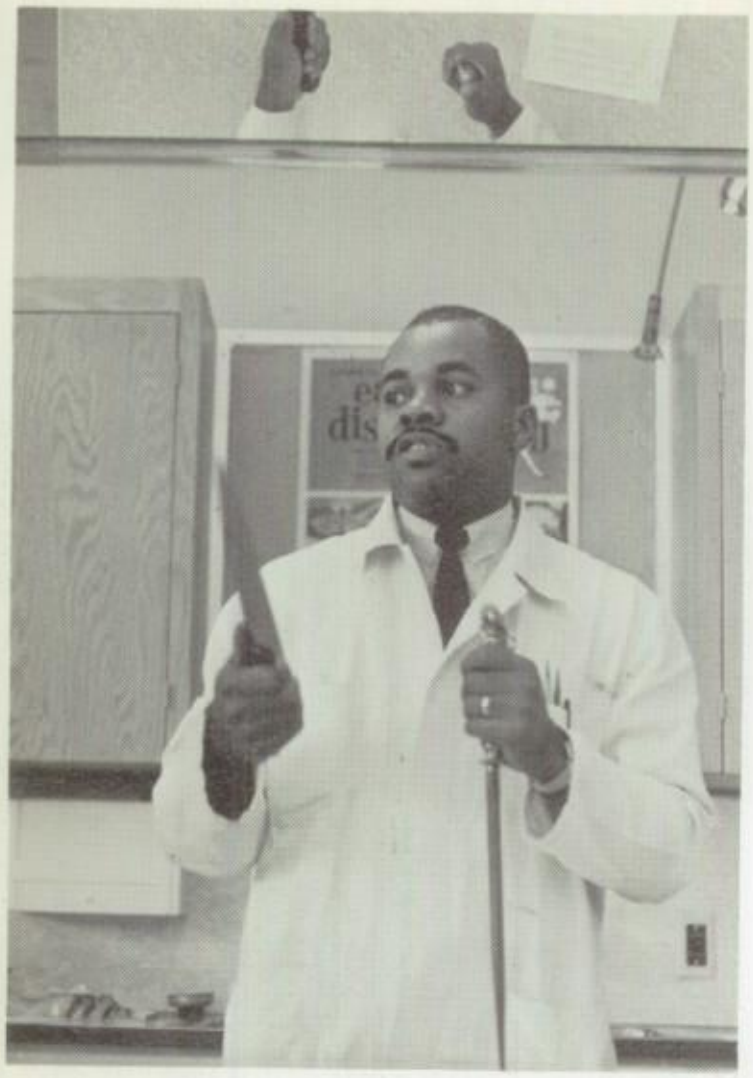


Mr. William Blanchard,
Art

Mrs. Joyce Houston,
Food and Clothing

Mrs. Nancy Byrum,
Clothing

Mrs. Evelyn Scott,
Homeplanning

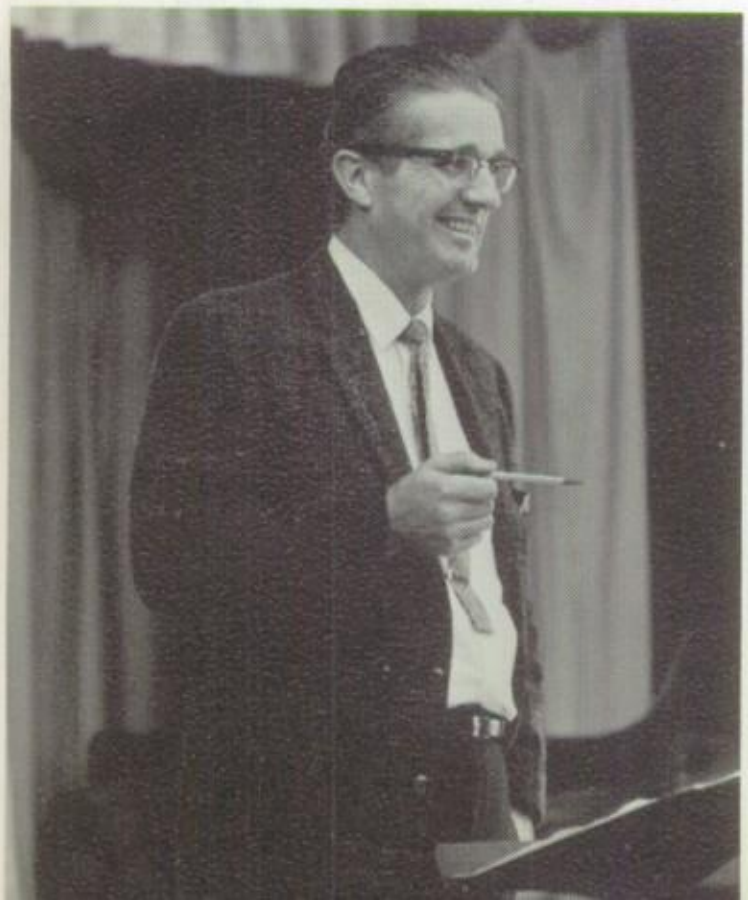


Mr. Robert Blanchard, Culinary Arts

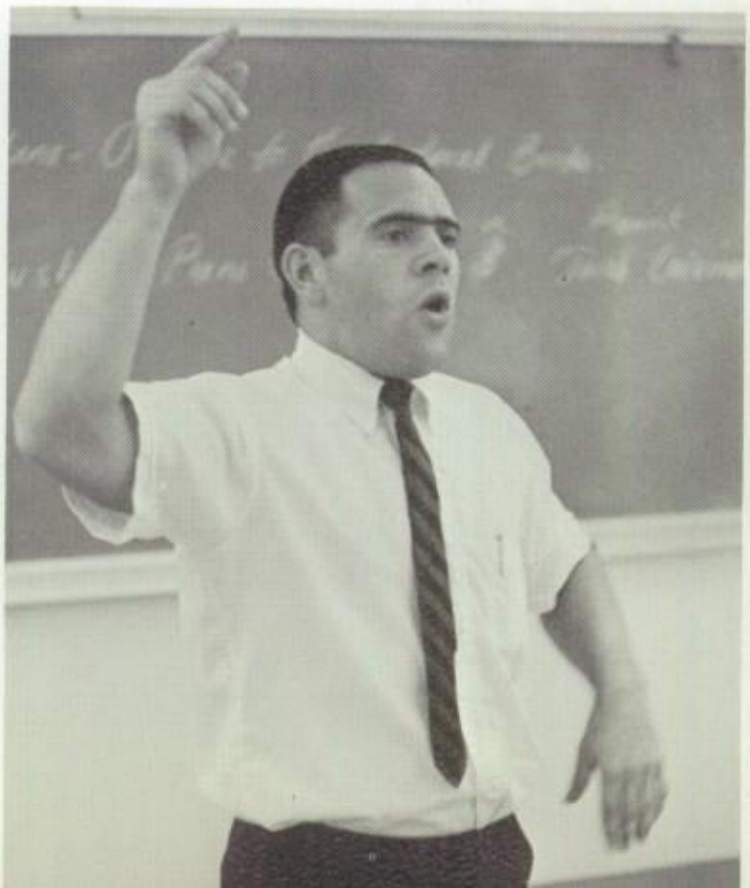
Mrs. Marianne Gelles, Nurse Aide

The four remaining Fine Art classes prepare the student in a field he might select as a career. Mr. Blanchard's Culinary Arts class adds an interesting air to the field of gourmet cooking. Mrs. Gelles's Nurse Aide class prepares girls to be nurses. Mr. White and Mr. Lauer both prepare students for a career in acting.

Mr. Joseph White, Drama



Mr. Charles Lauer, Chorus

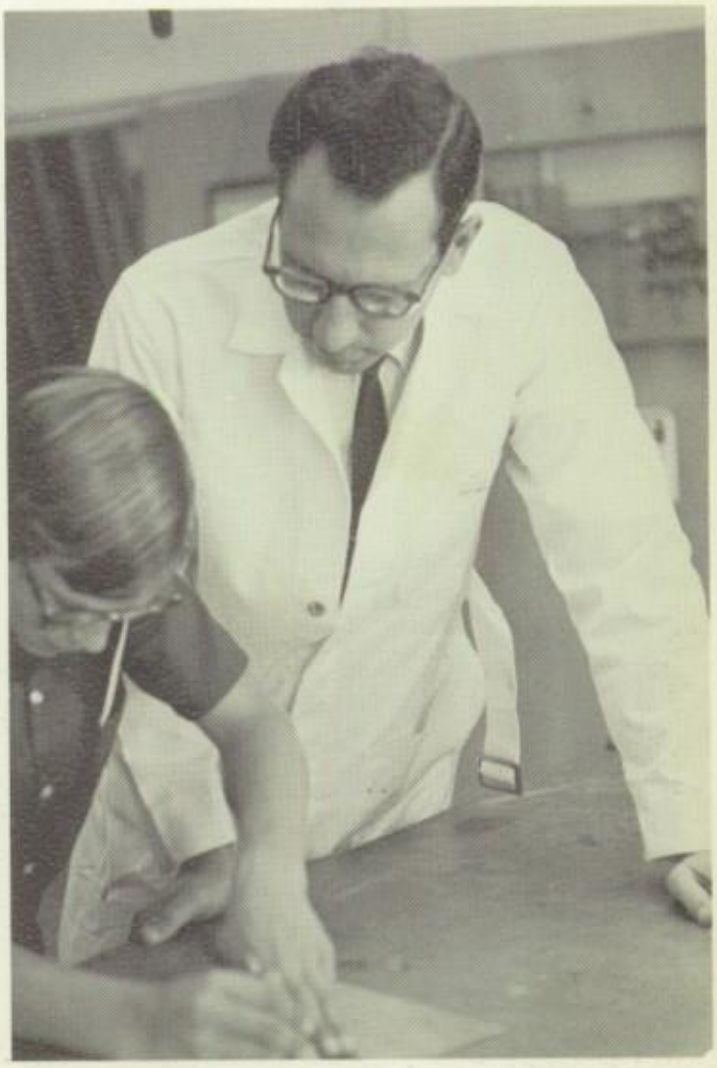


Industrial Arts

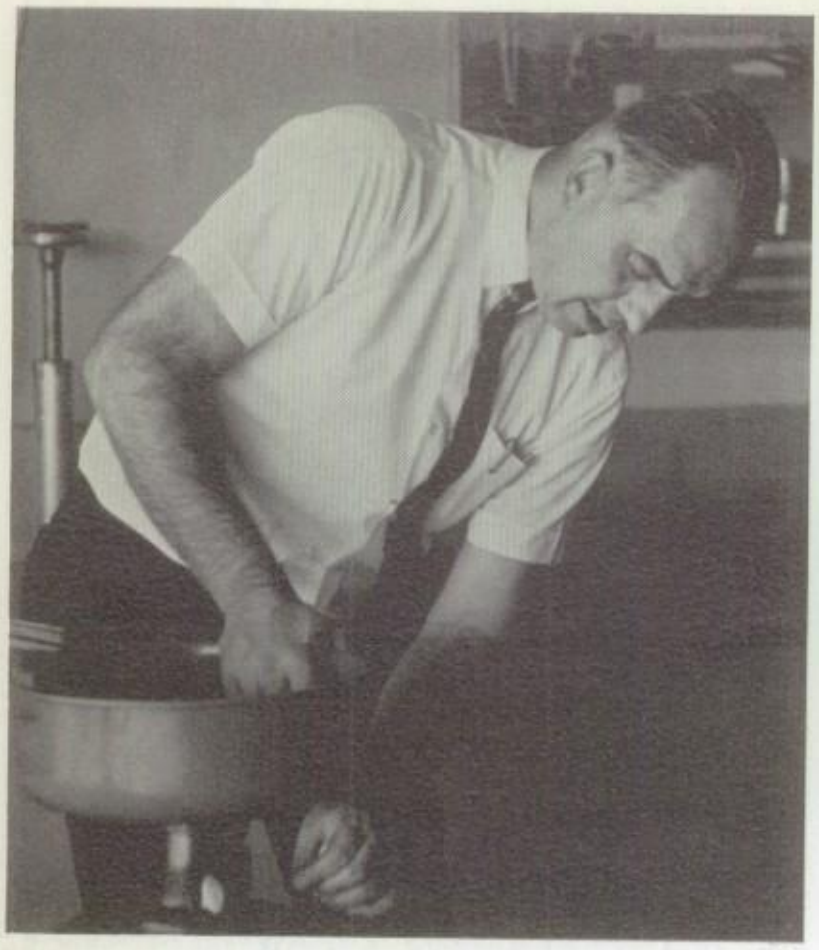
Mr. Errol Bennett, Drafting

Mr. Irvin Peterson, Woodworking

Mr. Frank Gamboa, Woodworking



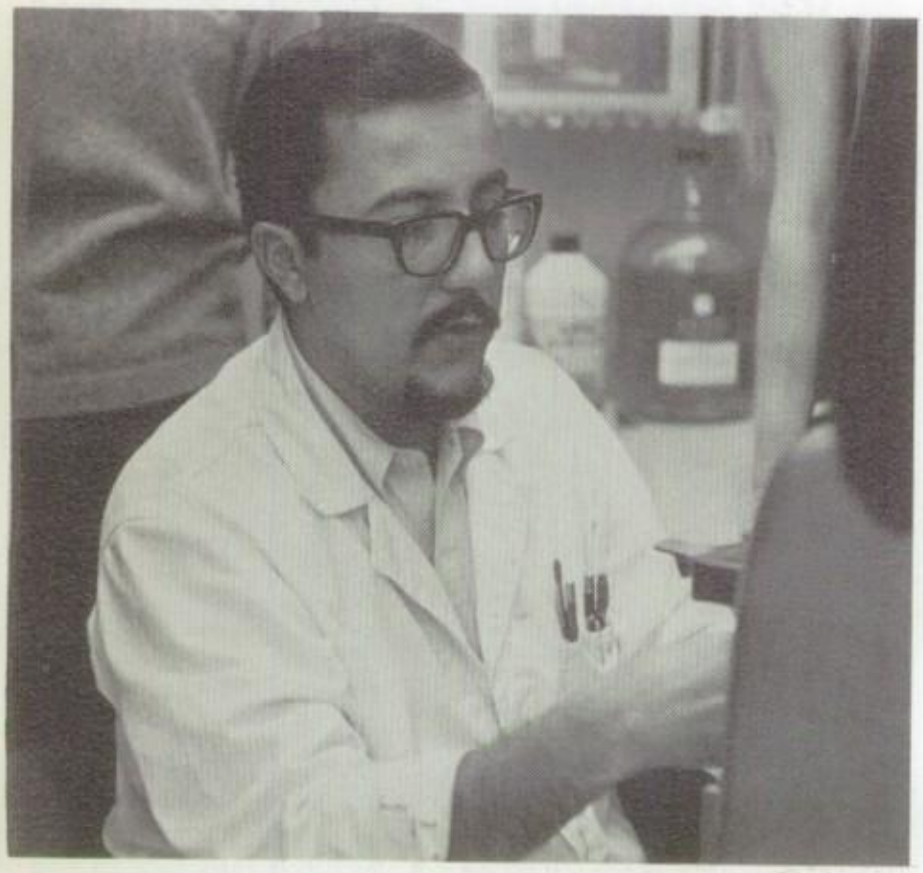
Mr. Perry Love, Metal



Mr. Charles Lanz, Auto Mechanics

Mr. Leland Logue, Electronics

Mr. Albert Rodriguez, Graphic Arts



Three new teachers were added to the Industrial Arts Department. They were Mr. Love, Mr. Gamboa and Mr. Logue. With Mr. Hutton moving to the other side of the school teaching Math, the electronics class needed a teacher. Mr. Logue was selected to fill this position.

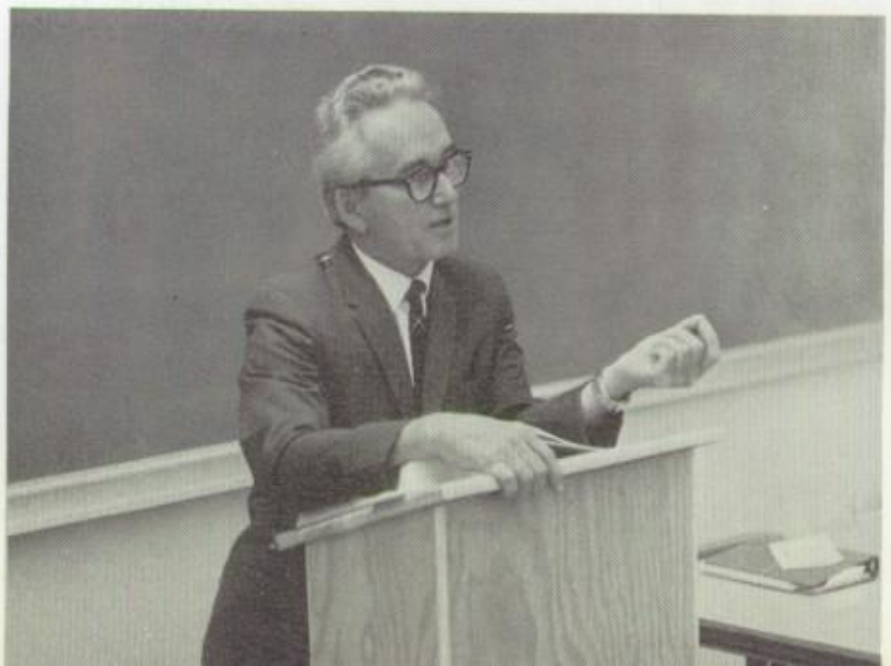
The Graphic Art classes and Mr. Rodriguez were delighted to receive more cameras to aid in the photography section of the course. Mr. Rodriguez's Graphic Arts Club did excellent work in providing the school with football programs and Homecoming beat ribbons. The Club also donated three new light meters.

Mr. Lanz, the Auto Mechanics teacher, should be congratulated for his fine Trouble Shooting team of the last school year.

English

With eighteen teachers the English department became the largest since Morse opened in 1962. Only three teachers left Morse, while thirteen stayed on the staff to enjoy another year. There were five new additions, three of them teaching the extra large sophomore class.

Mr. Walter Wright, English Literature

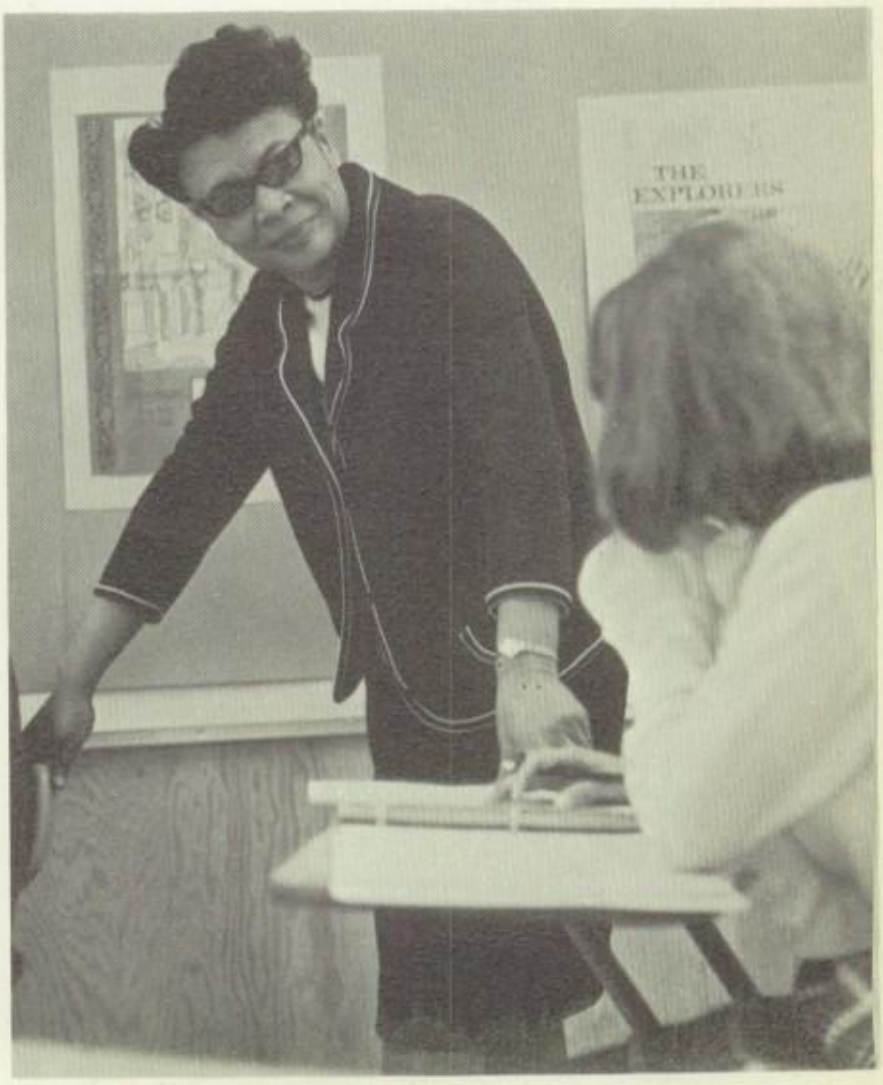


Mrs. Suzanne Emery, Journalism

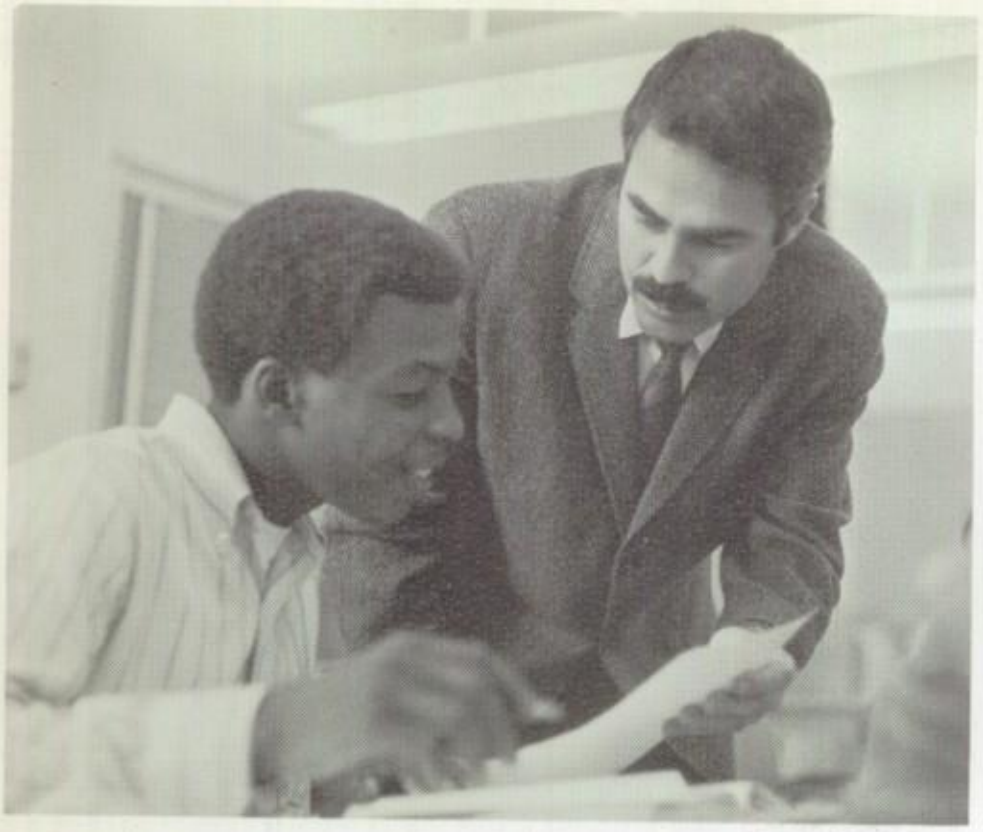
Mr. William Thrailkill, English 5

Mrs. Juanita Wade, Contemporary Literature

Mr. Robert Wendling, Senior English



Mrs. Mary Lou Banks, Senior English

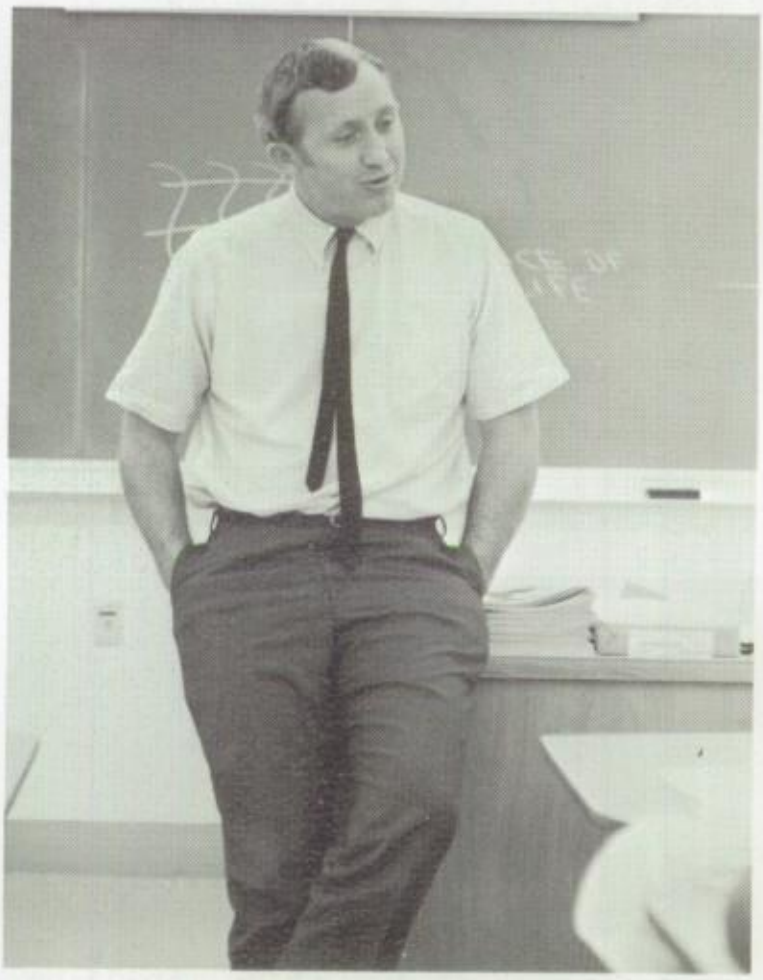


Mr. Roscoe Morris, Contemporary Literature

Mr. William Hansen, Advanced English

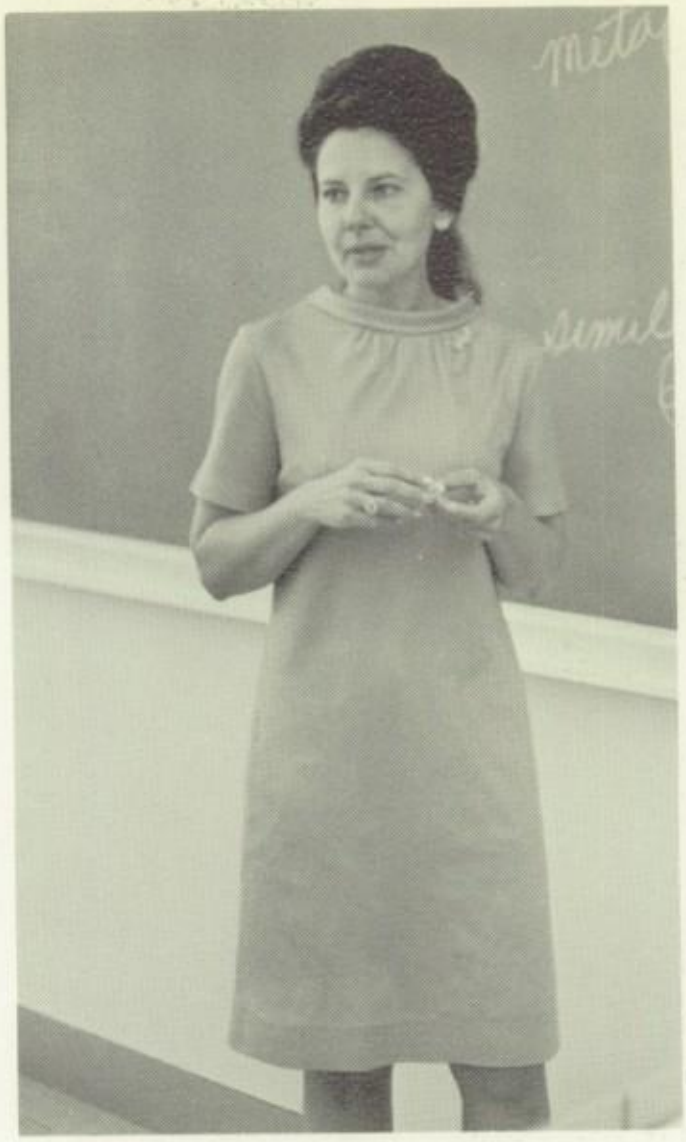
Mrs. Marie Diem, English

Mrs. Carol Jones, English 5



Mr. Ian Ulen, English 5

Mrs. Marilyn Gordon, English 3



Mrs. Doris Camp, English 5

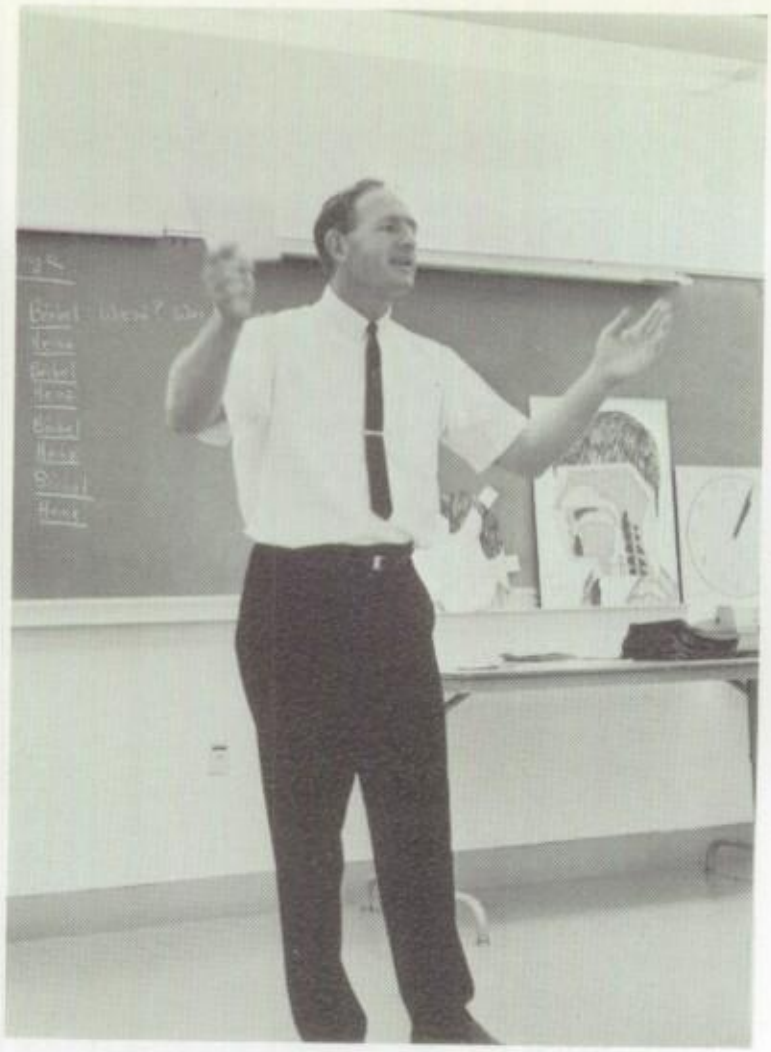
Mrs. Barbara Leddy, English 3

Mr. Donald Mayfield, English 3

Mr. Russell Vuich, English 5

Mr. Paul Combs, English 3

Foreign Languages



Mr. Clifford Lauer, German

Mrs. Rachel Mansir, Spanish

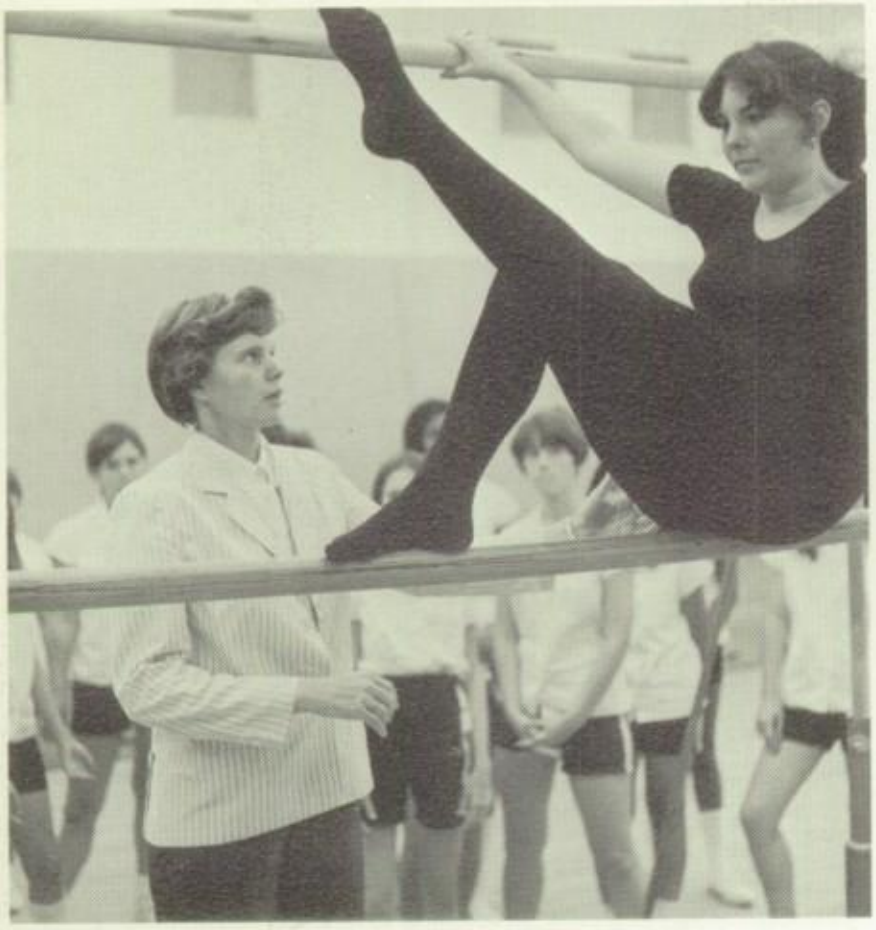
Mr. Joe Archibeque, Spanish

Besides reciting dialogue, taking tests, and translating, the Spanish classes were fortunate enough to watch the Olympic games, even though most of them couldn't understand the language.

Mrs. Jane Hartling, French

Miss Arline Glaze, Spanish

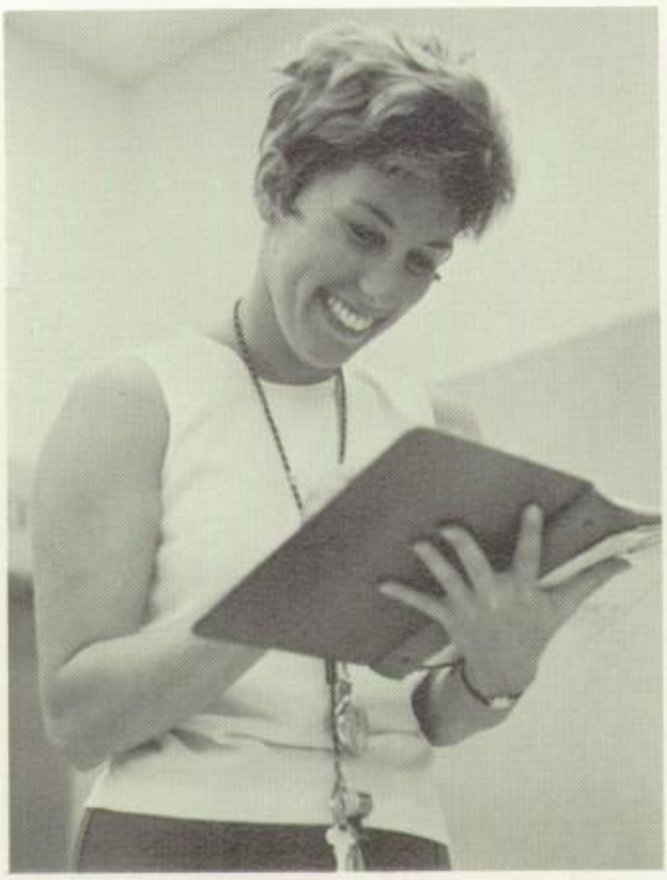
Physical Education



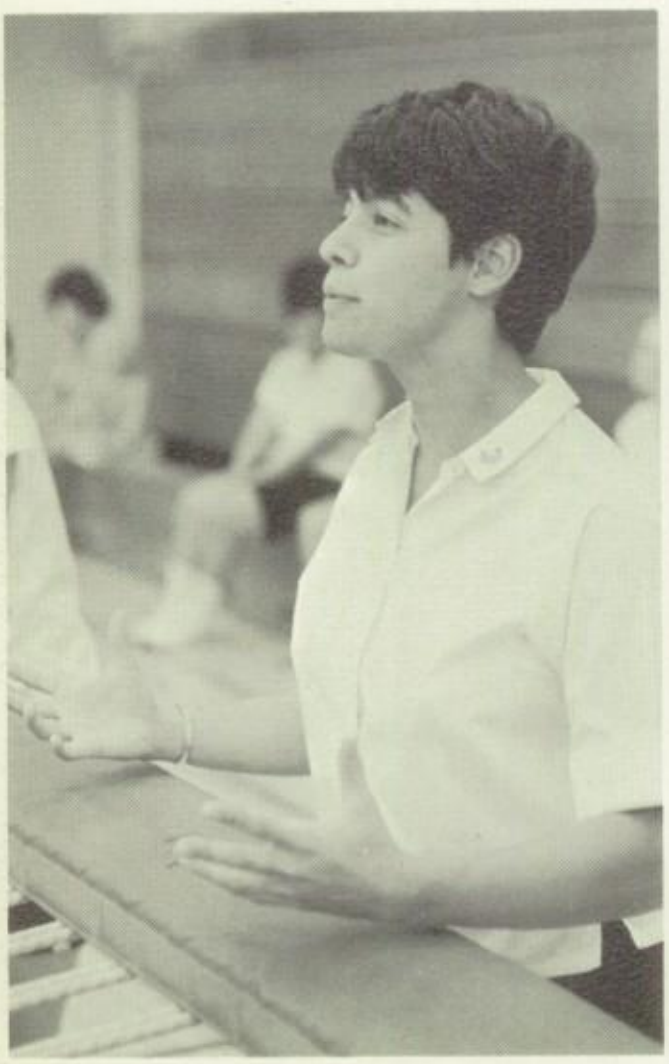
Miss Rita Zouhar

Miss Martha McCarthy

Mrs. Gladys Manlove



Miss Susan Gerber



Miss Diane Garmo

Miss Jean Maino

Mr. Alfred Colonelli

Mr. Larry Schimpf

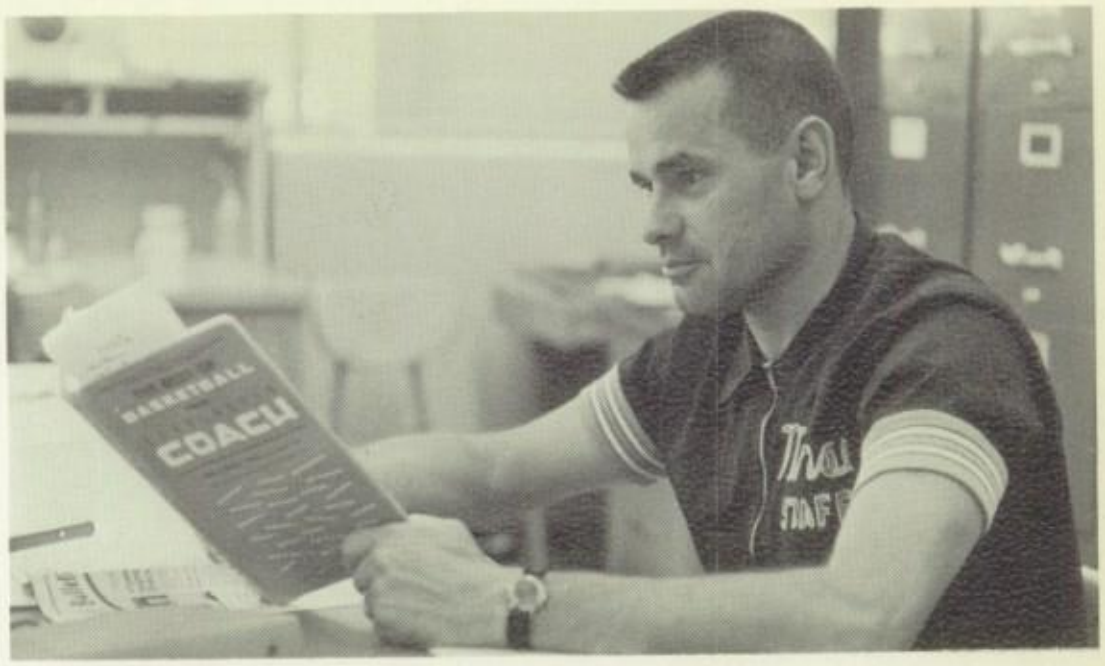
Miss Zouhar, chairman of the girls' P.E. department, comprised a new way to help the girls find their teachers. The first quarter was mainly Gymnastics. The girls then had several tests and were put into their own group accordingly.

Mr. Charles Coover

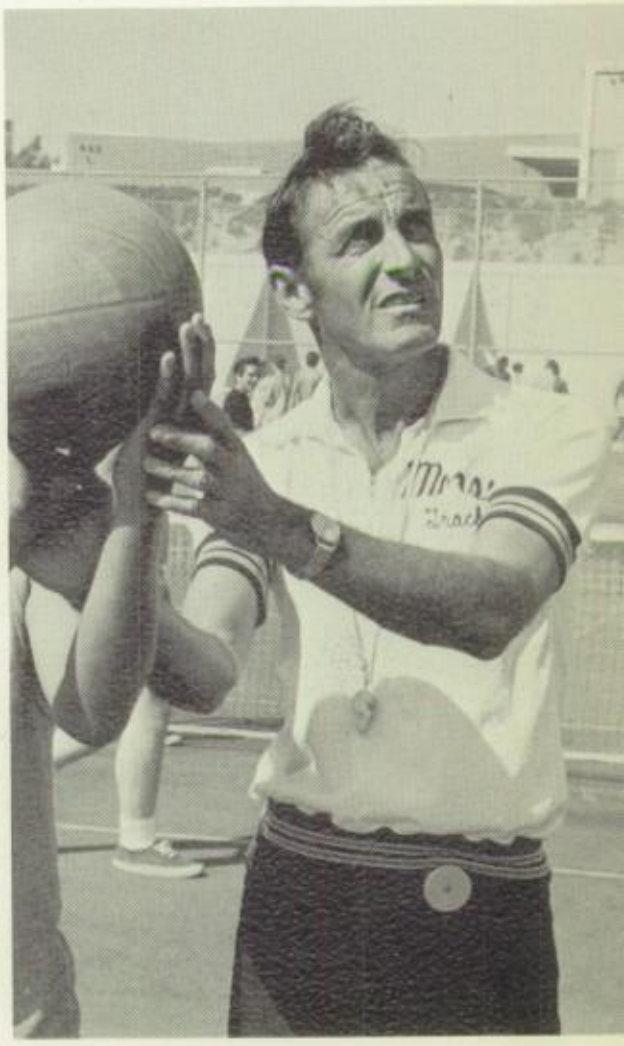
Mr. Edwin Olsen

Mr. Steve Simon

Coach Coover, head coach, will be replaced next year by Mr. Larry Schimpf. Mr. Coover will be in the office as the Attendance Supervisor. Coach Olsen and Simon joined the Morse staff to make nine coaches.

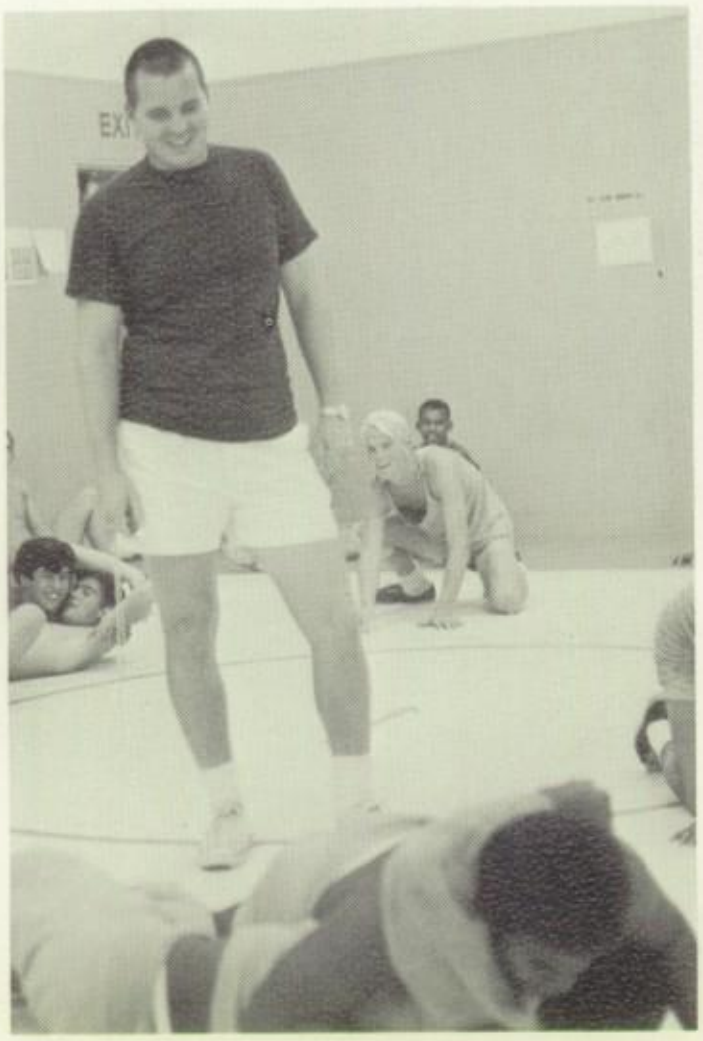


Mr. Thomas Williams



Mr. Donald Donnelly

Mr. Martin Nellis



Mr. Lynn Crocker

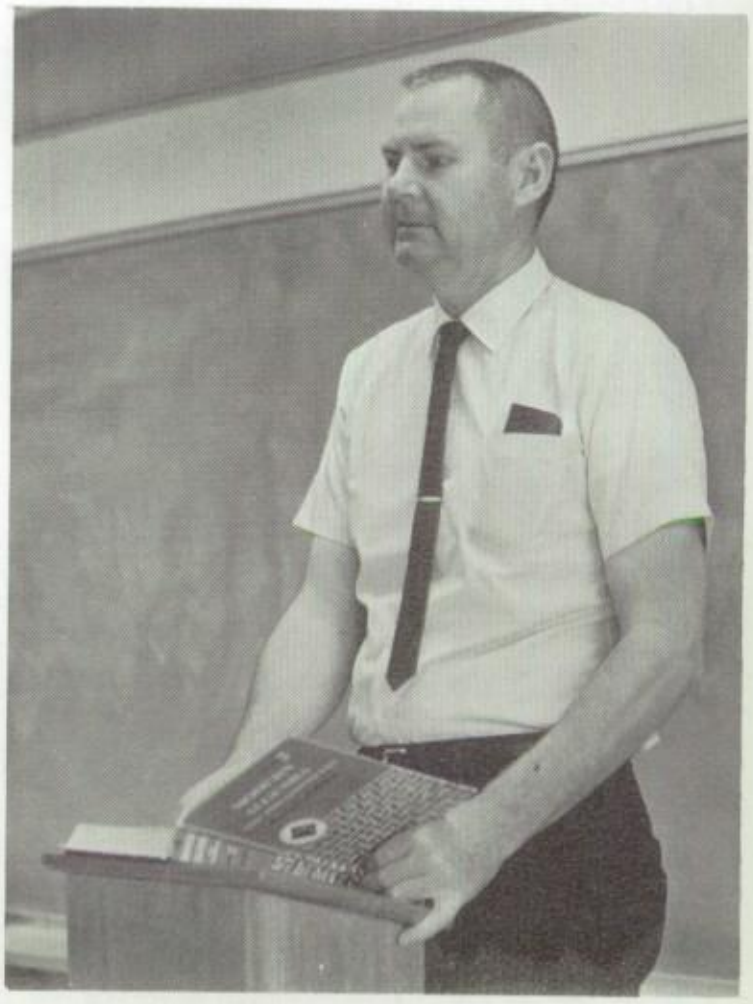
Math

Mr. James Obata, Calculus

Mr. John Shafer, Algebra

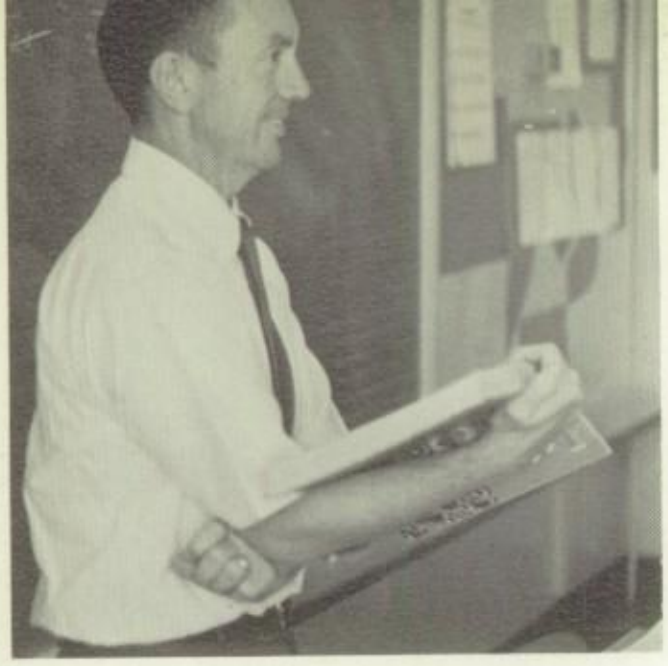
Mr. Joseph Adams, Math

Mrs. Ela, chairman of the mathematics department, was pleased to add two new teachers to the staff, Mr. Robbins and Mrs. Young. Mr. Robbins is a transfer from Crawford Senior High and instructs algebra and geometry. Mrs. Young served two years in the Peace Corps and teaches algebra.



Mr. Dempsey Clemons, Intermediate Algebra

Mr. Doron Hutton, General Math 3



Mr. Kenneth Robbins, Geometry

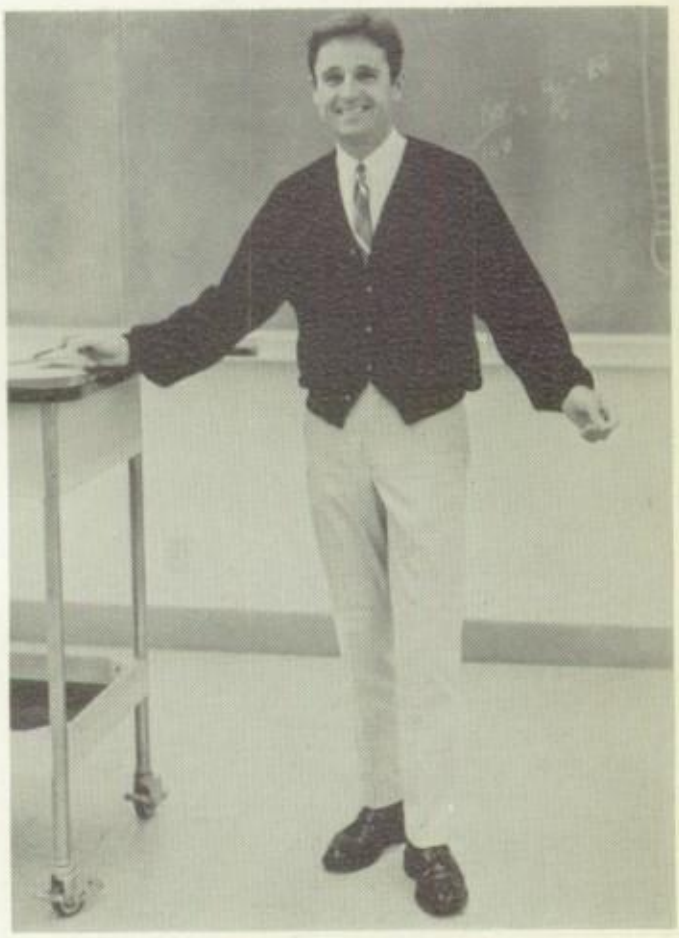
Mrs. Lois Young, Algebra

Science

Mr. George Nowak, Physiology

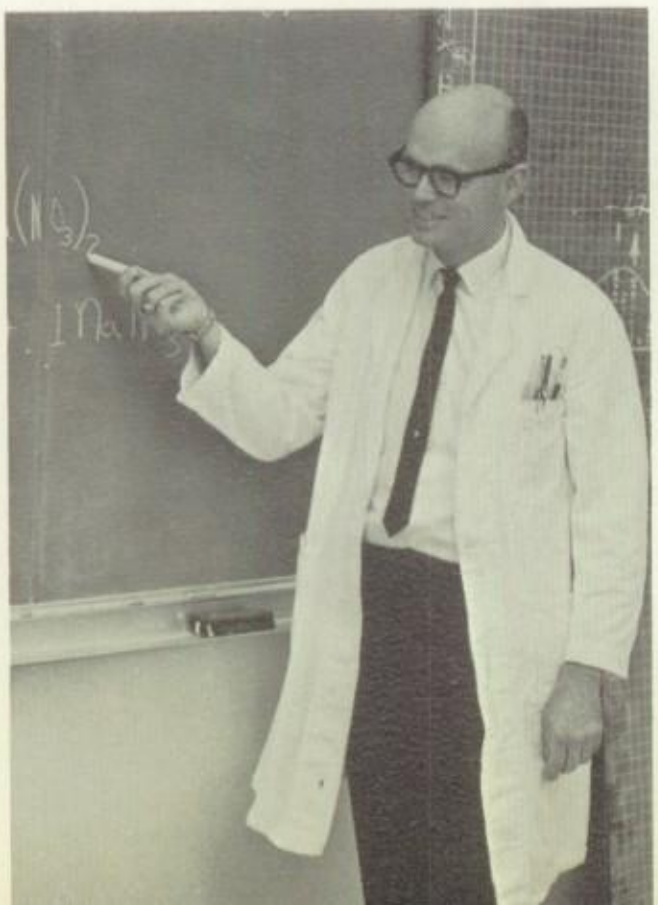
The only faculty change in the Science department was Mrs. Tebbens' replacement, Mr. Riffle.

A new course was added this year, Earth Science. Mr. Brown, the teacher, feels the course has been successful enough to continue in next year's program.



Mr. Frederick Brown, Earth Science

Mr. Frederick Riffle, Chemistry



Mr. James Green, Biology

Social Studies

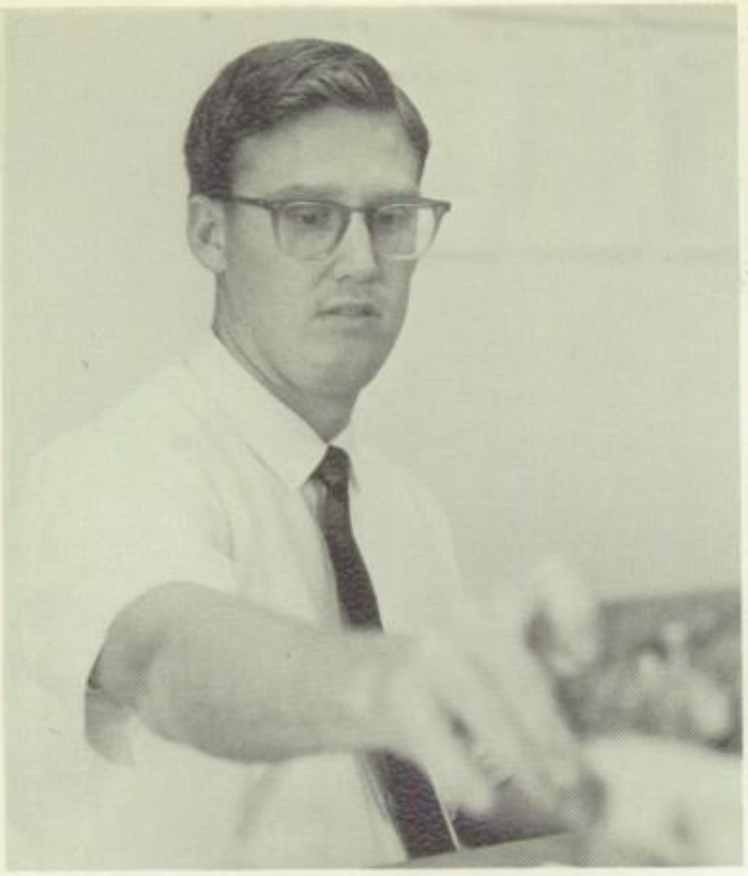
Mr. Arthur Patoff, American Government

Mr. Nunnelly Sims, World History

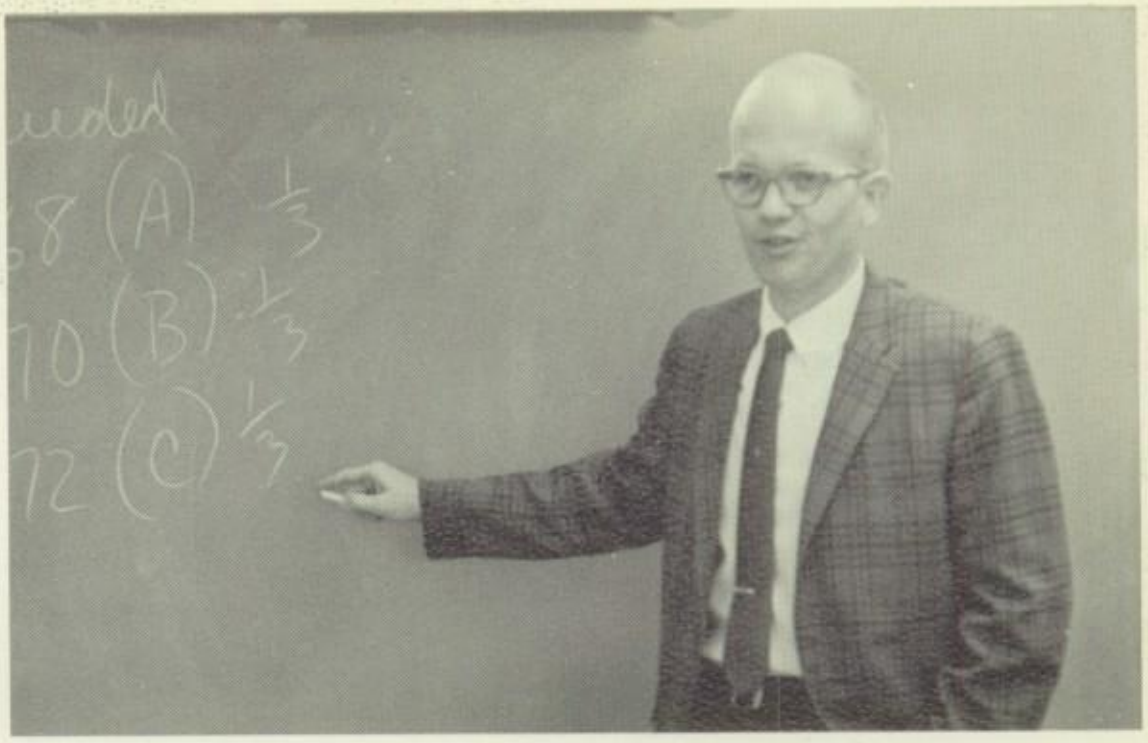
Mrs. Betty Swift, American Government

Mrs. Jane Morgan, World History

Mr. Guy Callaway, American Government



Mr. Edward Underwood, World History



Mr. Clifford Halliday, U.S. History

Mr. Patoff was the chairman of the Social Studies department this year. Because of the current elections, the Government and History classes were even more exciting.

Mr. Robert Perry, World History

Mr. Carroll Raborn, U.S. History

Electives

Mr. Raymond Hirsch, Driver Training

Mr. Robert Ford, Driver Training

Mr. Albert Meeh, Student Government

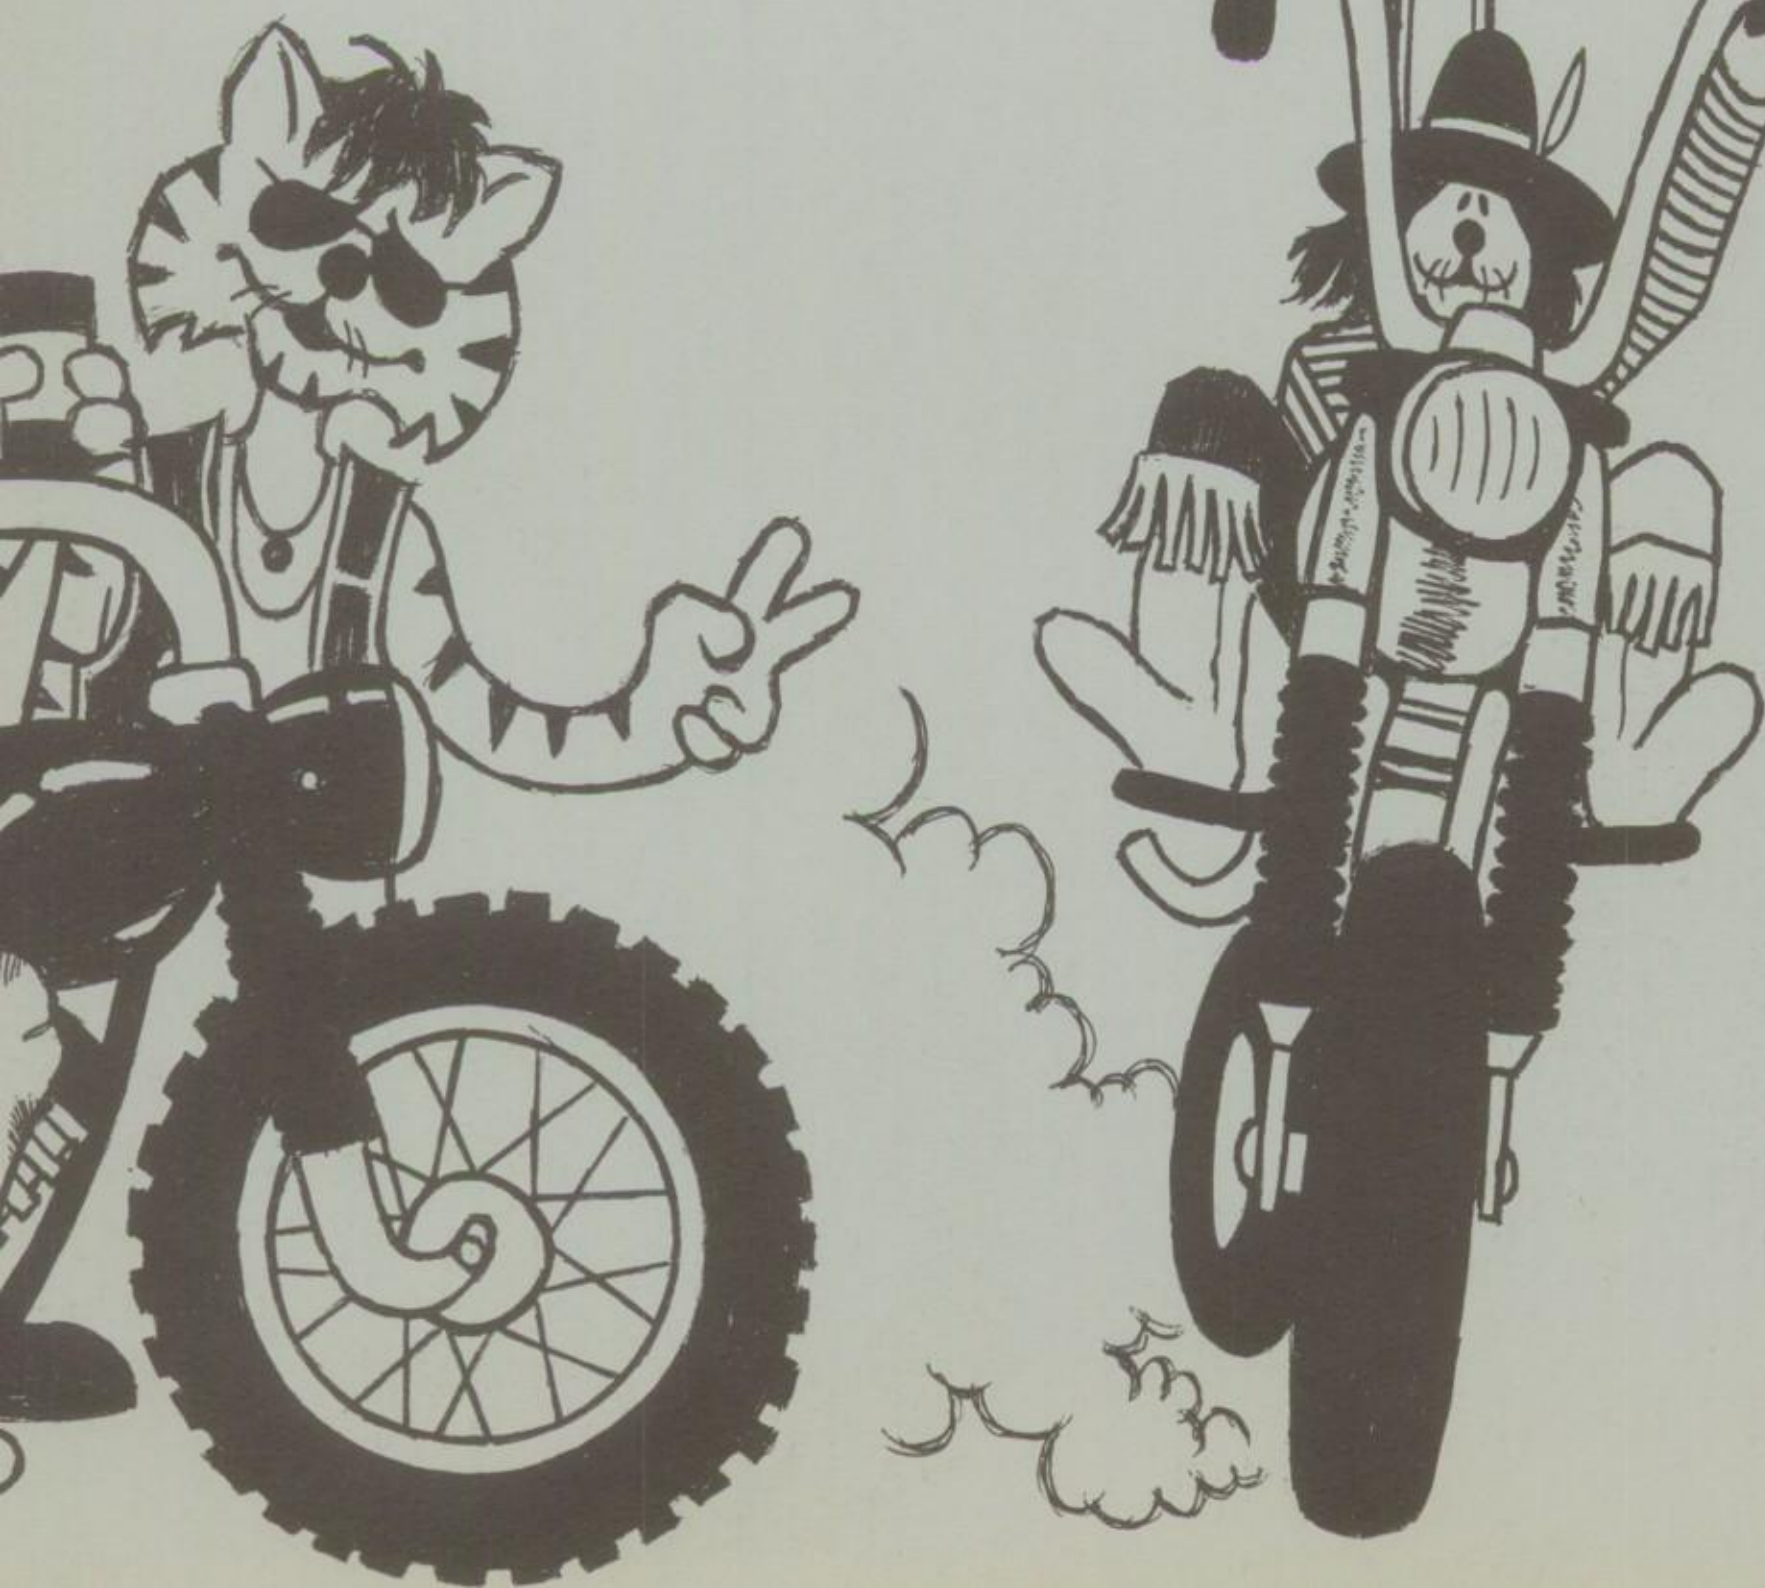
ORGANIZATION



Fellow Students:

It has indeed been an honor and a privilege to serve you as your Student Body President. The experience and memories will be with me always.

This has been a unique year for Morse High, both in scholastic and athletic fields. Your support has made it a successful one.

I wish everyone the luck to meet the future challenges of life and may each of you carry on the Tiger tradition.

Sincerely
Kyle Quon

Key Staff '69

This year has seen some drastic changes made in the Annual. For the first time in the short history of Morse, color was used, thus raising the price. The staff spent many long hours trying diligently to perfect "our" book, the book representing student activity at Morse High School.

Mr. Gamelle painstakingly worked with the staff to teach them the secret little techniques, such as typing copy, cropping pictures, etc.

LETTERMAN'S CLUB

This year, under the fine leadership of Coach Olsen, the Letterman's Club showed its outstanding responsibility to Morse High School. Their activities included keeping order at pep rallies, ushering at the Dad and Daughter Potluck and A.S.B. Council Meeting. They have donated funds to other school organizations and have represented outstanding school spirit throughout the year.

C.S.F.

California Scholarship Federation, (C.S.F.), is dedicated to the motto, "Scholarship for Service." Members generally are those with a "B" average or higher. Students, who have been in C.S.F. for four semesters are eligible for Sealbearer membership which qualifies them for scholarships in numerous public and private institutions of higher learning throughout the state of California and across the nation. Some of the institutions offering Sealbearer scholarships are San Diego State College, Stanford, Brigham Young University, Yale, and Columbia.

GIRLS' LEAGUE

This year Girls' League carried out all of it's traditional activities, from the Big and Little Sister Tea to the Mother-Daughter Tea. It was also responsible for the Girls' League Convention, which was attended by girls from all of the San Diego City Schools. The purpose of this organization is to promote and encourage a friendly and unified relationship among the girls of Morse. One way this was done was by the important selection of Girl of the Month and Girl of the Year.

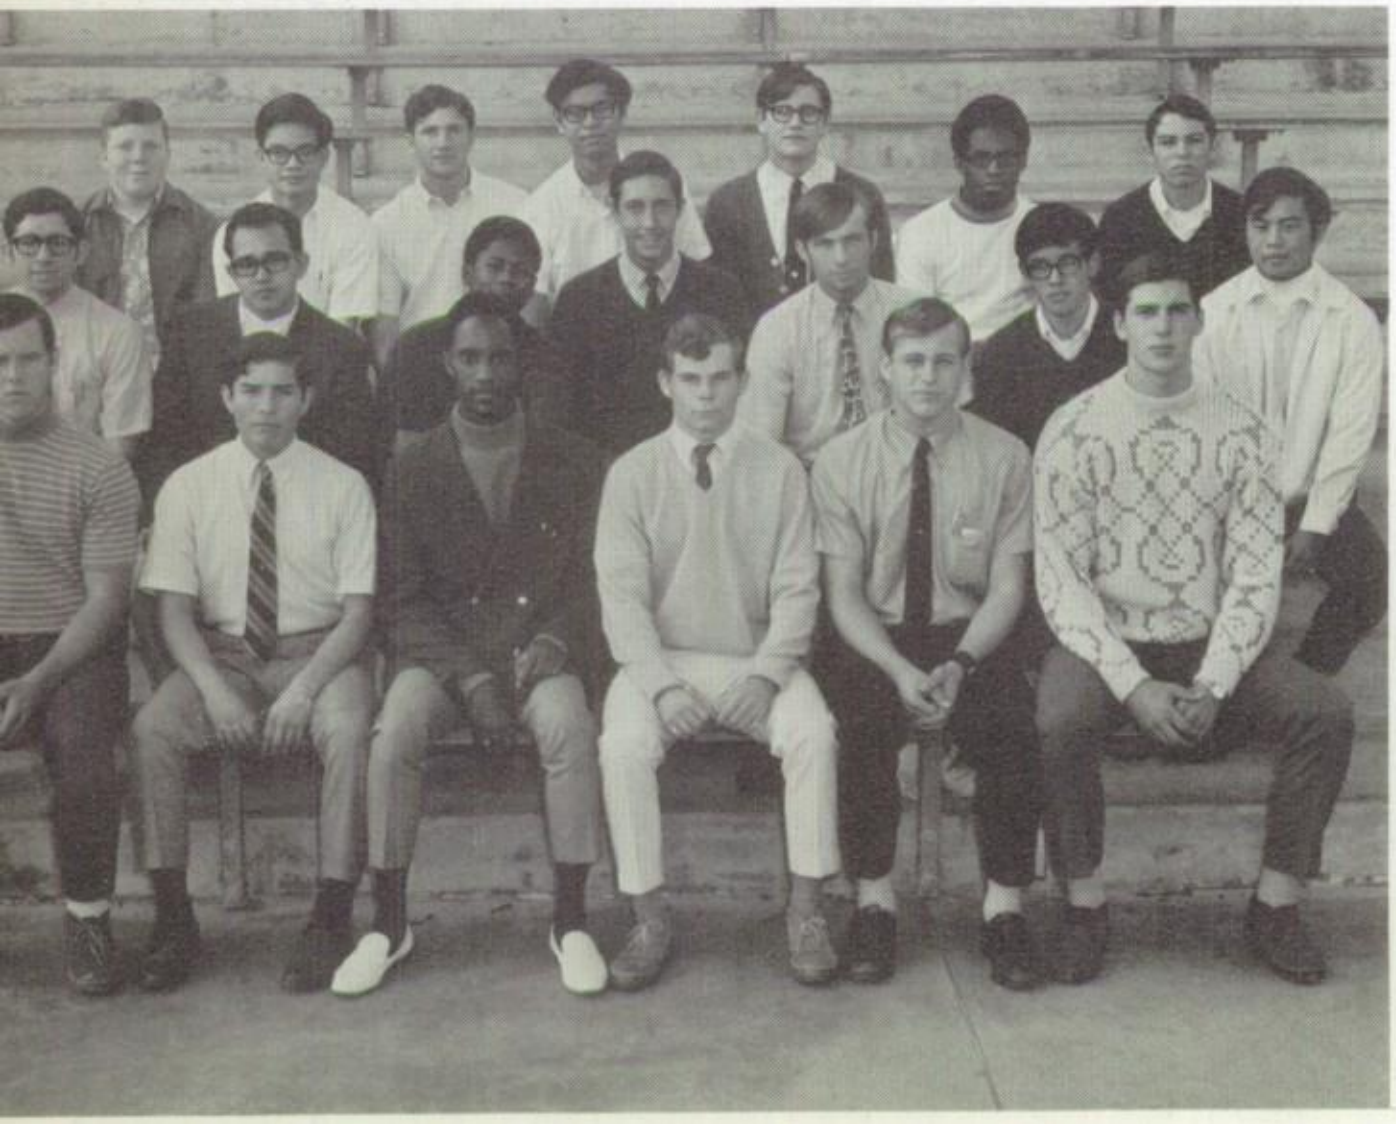
FUTURE TEACHERS

The Future Teachers club is designed to acquaint students with the teaching profession. They discuss requirements for different colleges, and encourage students to go to college. The club is sponsored by Mrs. Doris Camp.



BOYS' FEDERATION

The Boys' Federation has been involved with the student body in various ways, such as candy apple sales and the annual Boys' Fed track meet. The purpose of Boys' Fed is to bring the boys of Morse closer together in their activities on campus. Boys' Fed has had the honor of selecting the boy of the month, and the boy of the year.

GUITAR CLUB

For the first time, a club has been organized to accommodate those students interested in playing the guitar. Under the supervision of Mr. Rodriquez, the guitar club met every Tuesday after school in room 603.

HOME ECONOMICS CLUB

The Home Economics Club's aim is to enrich the regular Home Economics program. It's open to girls who are interested. This year the club held a very successful cupcake sale and is planning on making uniforms. They intend to make several field trips and to go out to dinner at the end of the year.

SCIENCE CLUB

The aim of the science club is to stimulate academic interest in the development of scientific problems. Mr. Green is on hand to give helpful advice and encouragement on science fair and research projects.

BEL CANTO ENSEMBLE

The Bel Canto Ensemble represents the finest singing Morse has to offer. Besides the Christmas program and the spring concert, they make several appearances at other schools and were featured at the Bank of America Achievement Awards Banquet in May at the Hotel del Coronado.

"BLUE AND GOLD" CHOIR

The Morse High School "Blue and Gold" Choir is the largest vocal group on campus, and is an outlet for all interested in good vocal music. They perform on the Christmas program, the spring concert, the City Schools Festival, and for the graduation program in June.

GIRLS' GLEE

The Girls' Glee is a beginning choral group designed to develop musicianship as well as individual voices.

THE BAND AND ORCHESTRA CLUB

The Band and Orchestra Club is composed of a fine group of Morse High School musicians, whose commendable abilities have been a great asset to our excellent Music Department.

DRAMA GUILD

This year's Drama Guild remains one of the most industrious clubs on campus. Although its members were busy with other activities, they managed to produce the A.S.B. and Senior play. Through many hours of hard work, the Drama Guild gave the school a few evenings of theatrical entertainment.

OMEGAS

The purpose of Omegas is to give interested students the opportunity to explore and investigate the various health fields available to them; also to broaden their knowledge of the health needs and health facilities in the community.

The sponsors of health career clubs make arrangements each year for members to spend a "day on the job" and during the year provide interesting field trips. Omegas are a part of a county wide organization who plan and provide the Health Fair each year.

INTERNATIONAL CLUB

The purpose of the International Club is to promote good fellowship among students of different national backgrounds. Our A.F.S. exchange student from Argentina, Juan Moya, was an active member of the club. The club was sponsored by Mr. Archibeque, and then by Mrs. Hartling when Mr. Archibeque took a Sabatical.

QUILL AND SCROLL

Quill and Scroll is a nation-wide honorary journalistic society. It is actively affiliated with the school newspaper. Members must be in the top third of their class. They must be juniors or seniors and must have made an outstanding contribution in the field of journalism.

GRAPHIC ARTS CLUB

Whenever you buy a football program, or look at your beat ribbons, you can think of the Graphic Arts Club of Morse High School. The club meets every Wednesday in room 603 under the supervision of Mr. Rodriguez.

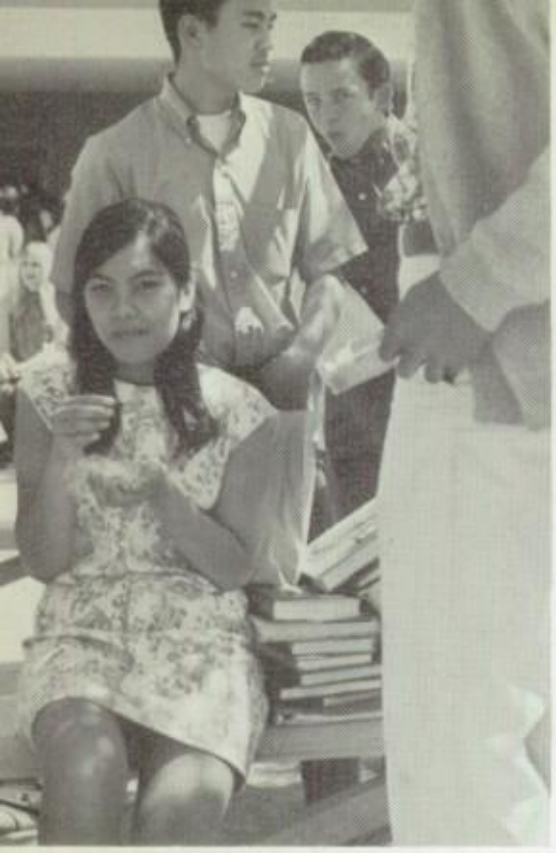
What is a Sophomore?

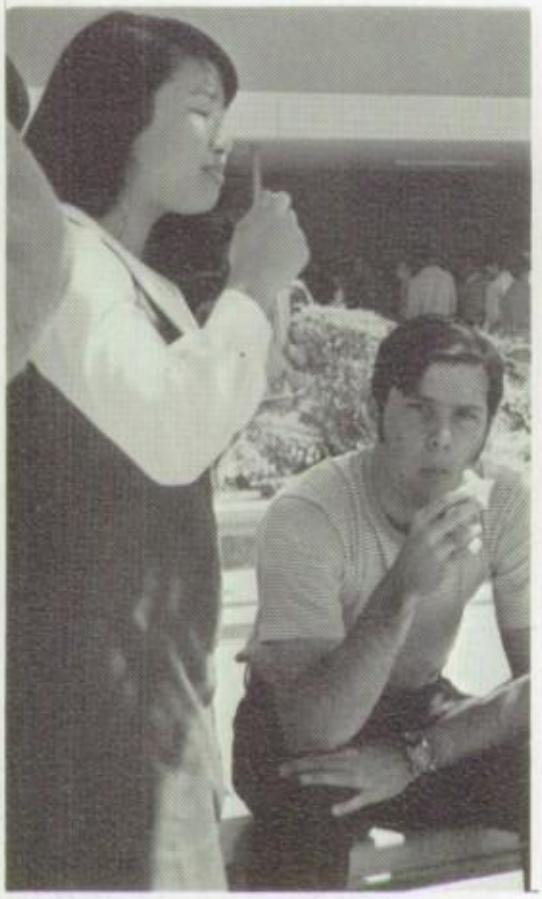
You might say a typical sophomore is . . .



Confused. Frustrated. Insecure.

Immature. Terribly childish. Chickenman.

Ugh! Kill.



First rate pea-green. Young.

Teenyboppers.

Tiger. Different.

Lowest vegetable form possibly conceivable. Chump.

Human. Some of them are really funny.

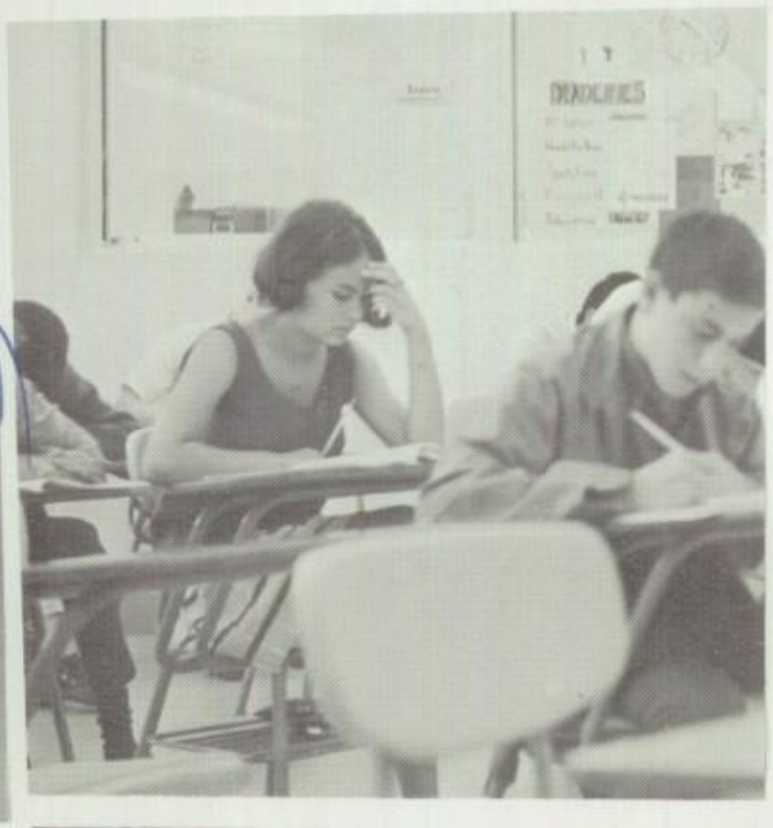
Dare Devils. Hopeless!

Some sophomore girls look pretty good.

One who tries to act big. Some are pretty cool.

Sophomores also have school spirit.

Short. Simple. Silly.



Memories

Tigers' Leonard Goins and Avery Clark prepare to stop a Trojan.

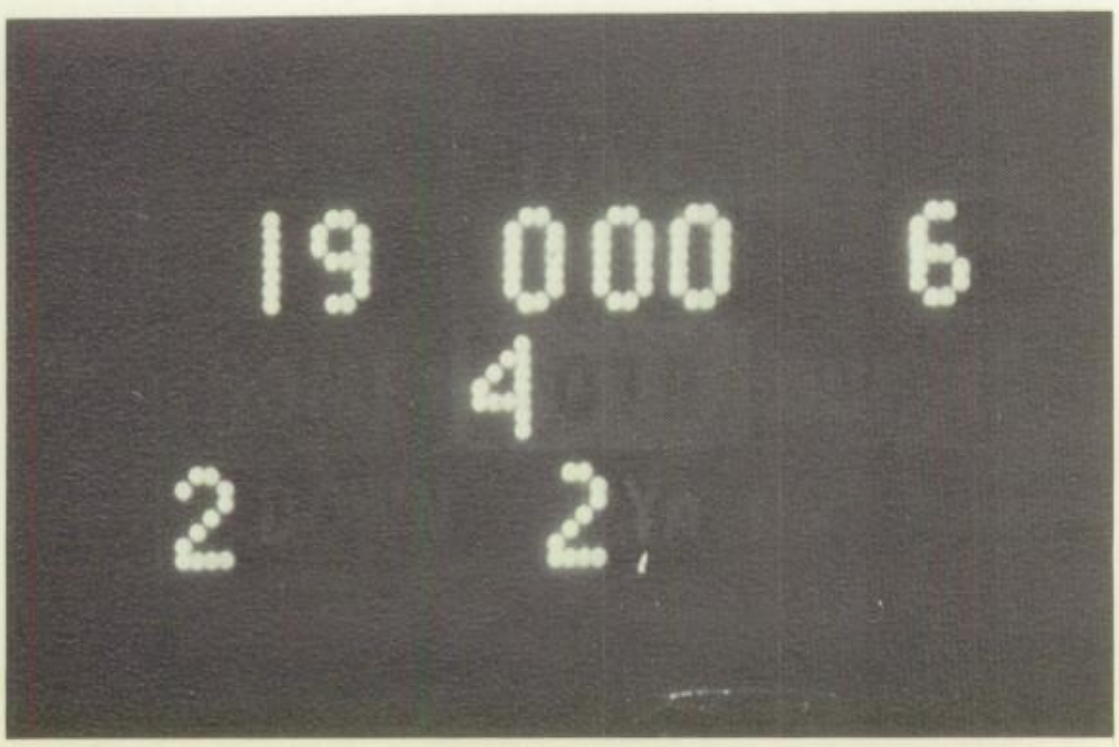
Castle Park

The Tigers opened the 1968 football season against the Castle Park Trojans on home ground. The Morse defense was quite effective against the Trojans by stopping them on many crucial third down plays. During the second quarter, Castle Park scored the first touchdown of the evening and took a 7-0 lead. An intercepted Tiger pass gave way to the Trojans second touchdown of the night. The extra point attempt was blocked by Jim Shepherd. On several occasions, halfback Tom Monroe and some fine running gave the Tigers a necessary first down on third down plays. Morse came on the scoreboard from a 9 yard Randy Denham to Avery Clark pass combination. Minutes later, Terry Antoine intercepted a Trojan pass to give Morse another chance of scoring. However, an untimely fumble in the fourth quarter probably cost the Tigers the game. As the final gun sounded the tally remained: Castle Park 13, Morse 7.

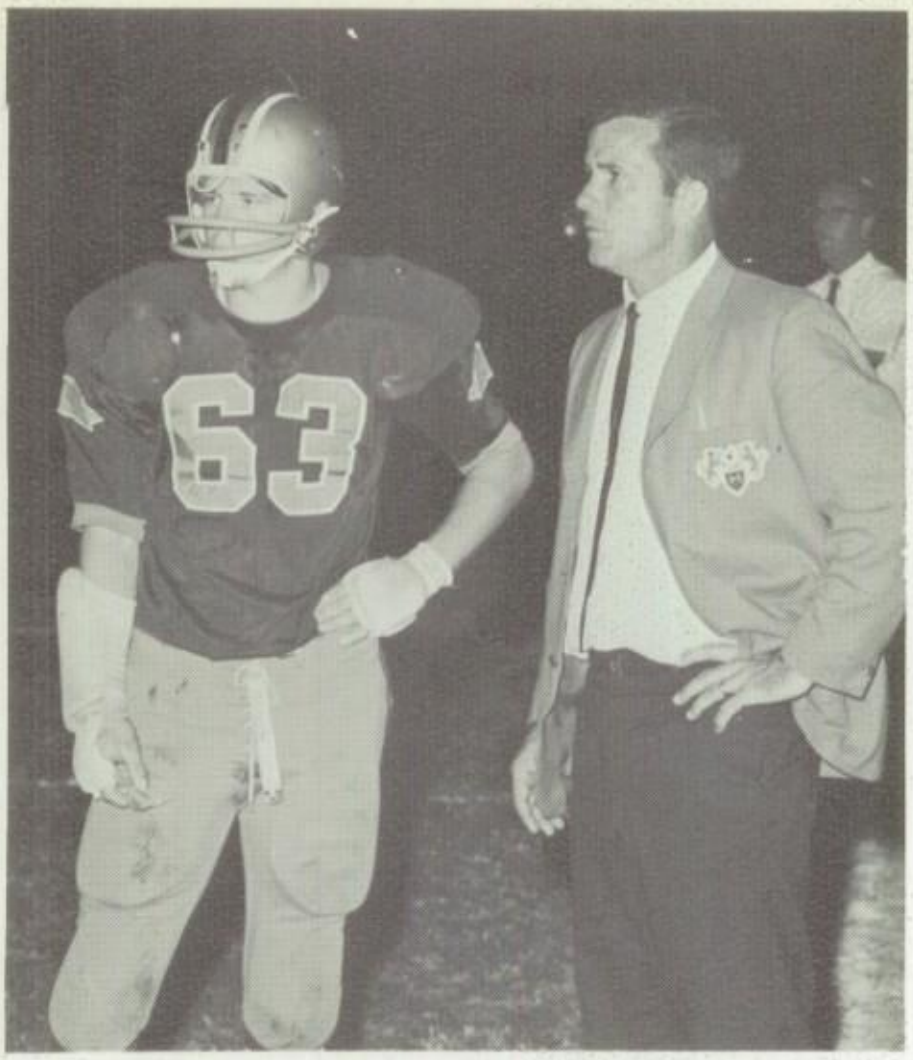
Point Loma

Always a tough opponent, the Tigers played host to the Point Loma Pointers on September 27. Morse took an early 9-0 lead on Tom Monroe's 23 yard touchdown romp (after Greg Day's 38 yard run) and received 2 points for a safety. The Pointers retaliated with a touchdown pass play as the first quarter ended. A 41 yard Denham to Day pass completion set up the Tigers' next score which was a 35 yard field goal by Mike Hawks. Incidentally, it was the first field goal ever made at Morse. The untamed Tigers wouldn't settle for a 12-6 lead as they came right back with a 9 yard touchdown pass from Randy Denham to Avery Clark. All hopes of the Pointers catching the Tigers were smothered when lineman Darryl Obayashi recovered a Point Loma fumble in the fourth quarter. The final score was in favor of Morse 19 to 6.

Greg Day on another one of his long yardage romps.



The Tiger scoreboard signals Morse's first season victory.



Steve Thomas confers with Coach Schimpf on defensive strategy.

San Diego

Even though playing in the mist of a heavy fog, it failed to hamper the Tiger scoring attack against the San Diego Cavers. At times the fog was so thick that it was impossible to see the S.D. spectators and the players on the field.

Morse took full advantage of Elton Brown's recovered fumble on the Caver 6 yard line by having Greg Day score a touchdown. A Rick Halsey to Joel Kneebone pass completion which covered 34 yards, resulted in the next Tiger touchdown. This was only the beginning for the Tigers on the scoreboard. In the second quarter, Elton Brown and Jim Shepherd smothered Haynes (S.D. quarterback) in the end zone for a 2 point safety. A Morse touchdown by Bill Smith in the second quarter gave the Tigers a commanding 21-0 lead as the first half ended.

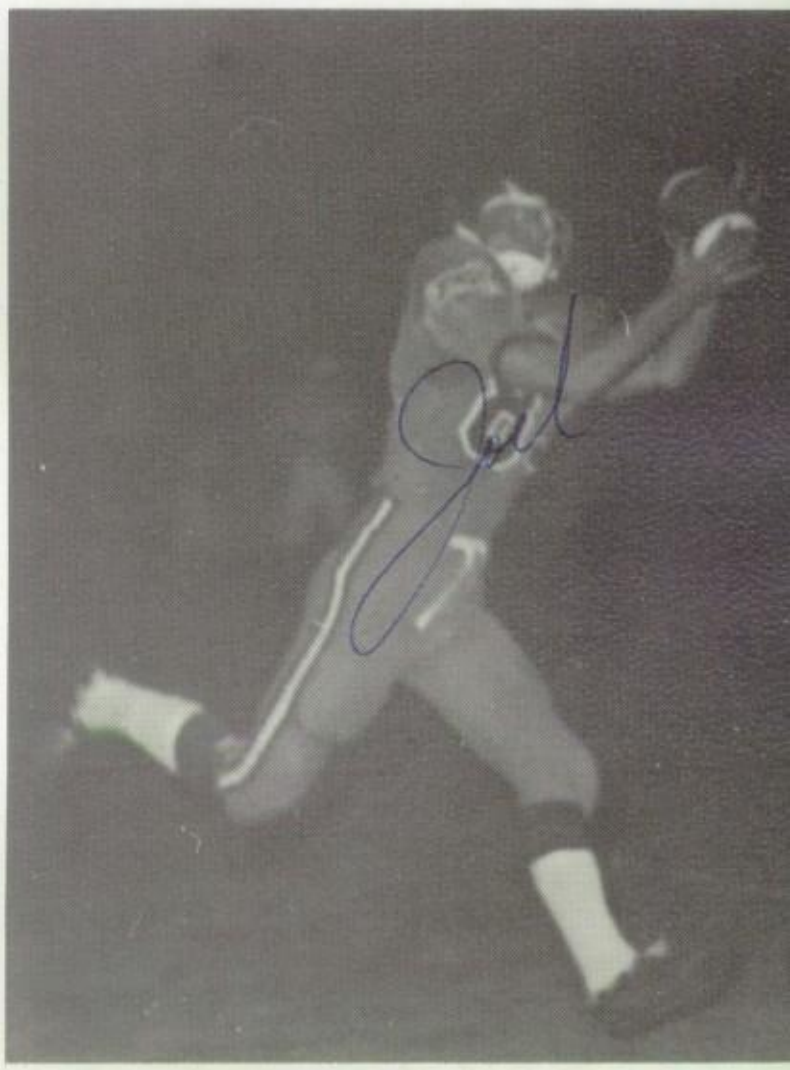
Duane Robinson gains a few precious yards against San Diego.

Damien

This year's out of town football game took place at Mt. San Antonio College in Pomona with Morse playing the Damien Spartans.

The Spartans scored the first touchdown by taking advantage of a Tiger fumble and scoring a quick 7 points in the first quarter. The remainder of the game was a tuck-and-tow battle between both teams. Later, however, Morse tied the score when halfback Tom Monroe scampered 27 yards into the end zone; with the extra point made by Mike "The Toe" Hawks. Morse went into the lead when Greg Day romped 48 yards into the end zone. Another touchdown by Greg in the remaining minutes of the fourth gave the Tigers a substantial lead as the tough Tiger defense kept the Spartans from scoring in the second half. The final score was Morse 21, Damien 7.

Joel Kneebone makes a clutch catch and scores a 34 yard touchdown.



As the third quarter began, the tough Tiger defense dumped Haynes in the end zone again for another 2 points. On the next play, Greg Day returned the kickoff 55 yards into the end zone for his second TD of the evening. The next Morse score (by Rick Halsey) came in the fourth quarter. As a finishing touch, Randy Denham tallied yet still another Tiger touchdown. The final gun sounded as the Tigers blanked the Cavemen with the final score being 43-0.

Quarterback Randy Denham hands off to his halfback. Note the fine blocking by the Tiger line.

Lincoln

Playing one of the top Eastern League teams, the Tigers fought another bitter battle with long-time rivals, Lincoln at Aztec Bowl.

Morse played catch-up football from the beginning as the Hornets of Lincoln scored a quick 12 points in the first quarter. Greg Day sparked the Tiger scoring attack with an 80 yard run. Three plays later, Rick Halsey tallied for the Tigers. However, the Hornets also scored and maintained a 19-7 edge on Morse as the half ended. Second half action began with a Greg Day touchdown which brought the Tigers within 5 points of Lincoln. The tenacious Tiger defense intercepted a Hornet pass and minutes later, a Rick Halsey to Greg Day pass completion resulted in another Tiger TD. The kick by Mike Hawks was good and Morse jumped into the lead 21 to 19. The theory that "lightning never strikes twice in the same place" was proven wrong when Greg Day tallied his third touchdown in the fourth quarter. The Tiger defense also had a fine game by recovering two fumbles and intercepting two passes. The final gun sounded with Morse being victorious by a score of 27-19. For the first time in Morse's 6 year history the Hornets of Lincoln had been defeated.

Greg Day eludes a Hornet defender to make a spectacular catch.

And to the winners of the battle, go the spoils of victory.

Crawford

The 1968 Homecoming was played against the Crawford Colts at Hoover with the theme "It's A Small, Small, Small World."

Randy Denham scored the Tigers first touchdown on a 5 yard run in the first quarter. However, the Colts also scored a touchdown to tie the game. An intercepted Colt pass by Leonard Goins on the Crawford 17 yard line in the second quarter gave Morse another scoring opportunity. However, the Tigers didn't score until the third quarter when Bill Smith tallied for the Tigers on a brilliant 79 yard romp. With Crawford threatening to score, once again the superb and tough Tiger defense came through by stopping the Colts on the Morse goal line. The next series of plays by Morse moved the football to the Tiger 23 yard line. Then quarterback Randy Denham unloaded an aerial bomb to Dallas Nailon which covered 77 yards and resulted in another TD. Crawford scored a touchdown late in the fourth quarter, but the Tigers were not to be beaten. The final score 21 to 14.

St. Augustine

The Morse-St. Augustine game saw a good example of the spirit and determination which made the Tigers a "unique" team. Due to the actions of a few individuals after the Morse-Lincoln game, Morse fans were denied a night game on home ground.

The first score of the evening came when Saints intercepted a Tiger pass and tallied a touchdown. However, quarterback Randy Denham scored for the Tigers on a 1 yard sneak play. Mike Hawks' kick was good and the Tigers led 7 to 6. Halfback Bill Smith came through with some fine running plays along with the other fine backs in the Tiger backfield. Avery Clark tallied the next Tiger score; on 11 yard pass completion from Rick Halsey. In the fourth quarter St. Augustine scored a touchdown and came within 1 point of tying Morse. The final moments of the game were probably the most exciting ever. On the last play, the Saints attempted a 16 yard field goal, but failed to score as the clock ticked out the seconds. The final score was Morse 14, St. Augustine 13 as the Tigers moved another step closer to the Eastern League title.

Clairemont

The Tigers were host to the Clairemont Chiefs in a day game at Morse on November 15. Although rain showers throughout the day hampered the crowd attendance, it didn't effect the winning ways of the Tigers. Greg Day returned the opening kickoff 82 yards for a touchdown to lead the Tiger scoring attack. A 49 yard touchdown punt return by Greg resulted in the next Morse score. Then came a 60 yard scoring pass play from Rick Halsey to Joel Kneebone as the first quarter ended. Quarterback Randy Denham unloaded a 41 yard touchdown bomb to Joel Kneebone in the second quarter. Meanwhile, Clairemont had scored a touchdown against the relentlessly tough Tiger defense. As the first half ended, Morse had a 27-7 commanding lead.

Fullback Bill Smith tallied a TD in the third period which covered 81 yards. The last and final Morse touchdown came on a 60 yard Halsey to Bill Smith pass combination. The final score was Tigers 41, Chiefs 7.

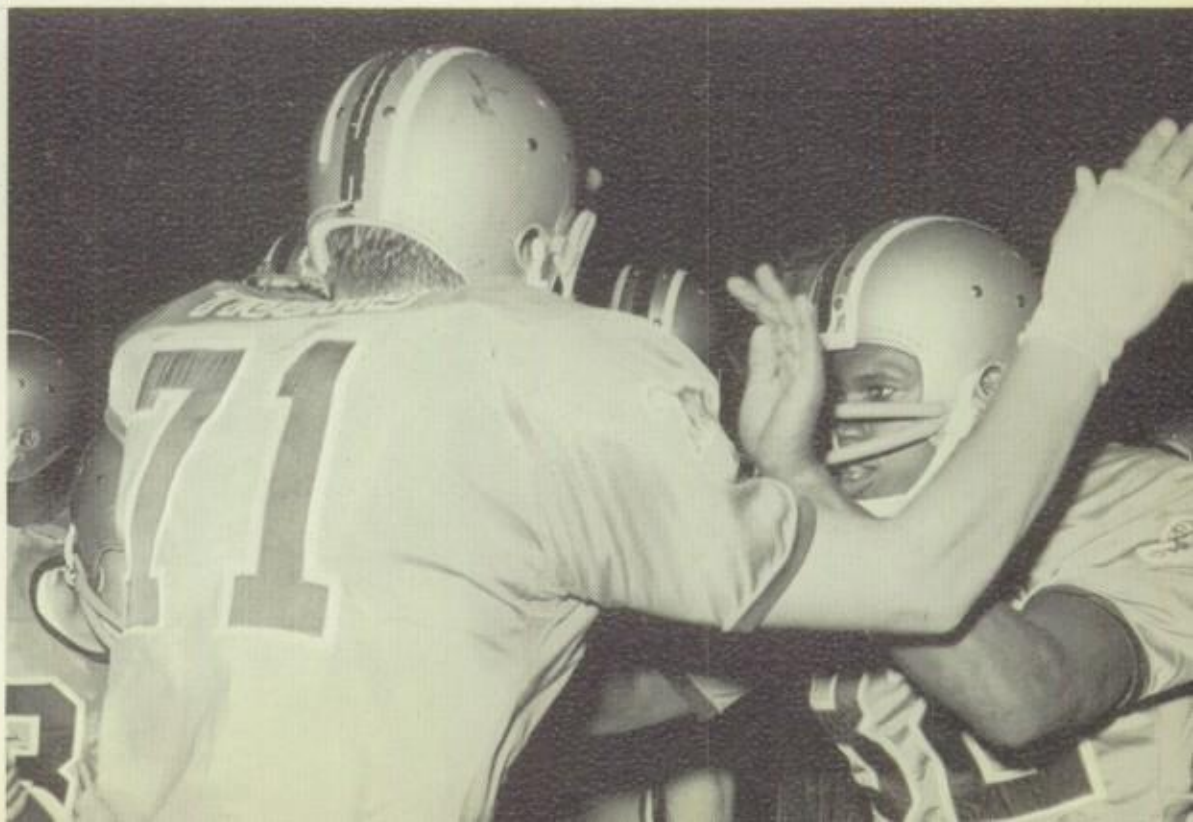
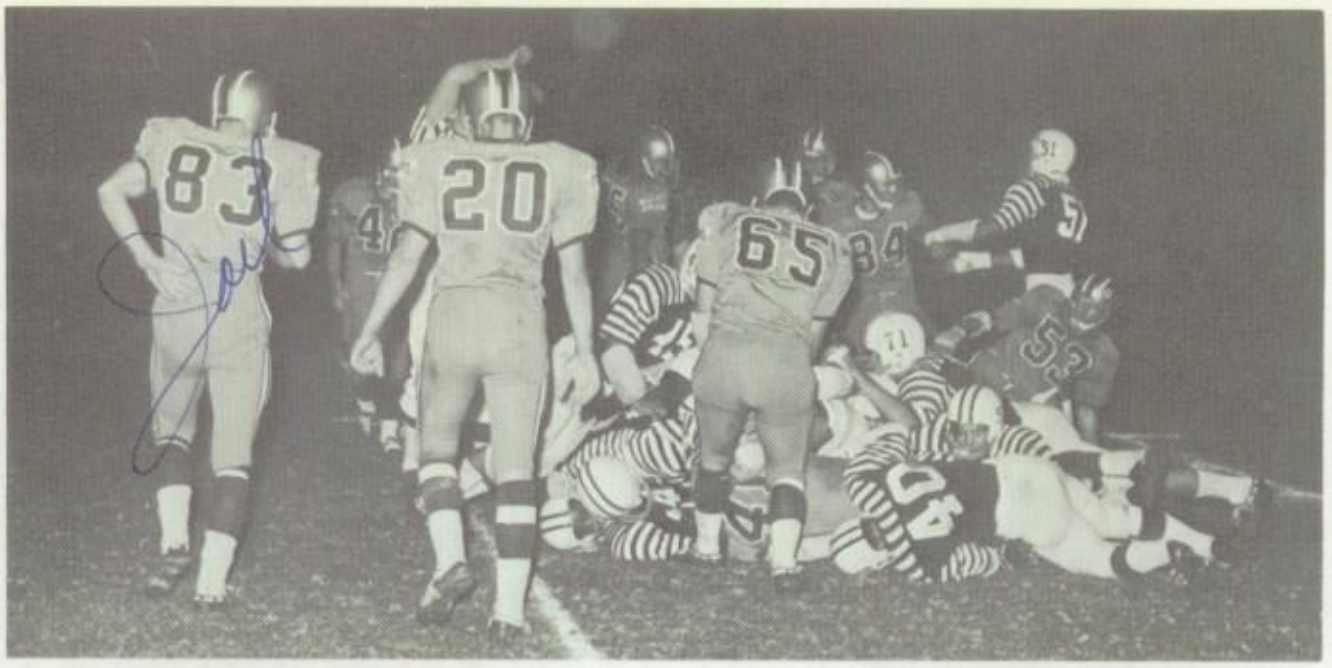
Cheerleaders, songleaders, and mascots were on hand to cheer the team to victory despite the rain.

Hoover

The next item on the Tigers' schedule was playing the Hoover Cardinals. Hoover scored the first touchdown of the evening, but the Tigers quickly retaliated with two touchdowns of their own by Greg Day. Later, the Cards tallied a TD in the second period and dwindled the Morse lead by 6 points. Workhorse Bill Smith sparked the Tiger ground attack while Dallas Nailon came through with some clutch receptions. On defense, Charlie Carmichael had his fourth interception.

Upon entering the second half, one could sense the tenseness and excitement in the air. Both teams were fired-up and showed so during play. However, the Cards scored 4 touchdowns to the Tigers' 2 TDs in the second half for the upset win. Although hoping for a 5-0 record in Eastern League play the Tigers of '68 walked off the field disappointed but undaunted. The final score ended at 38 to 26.





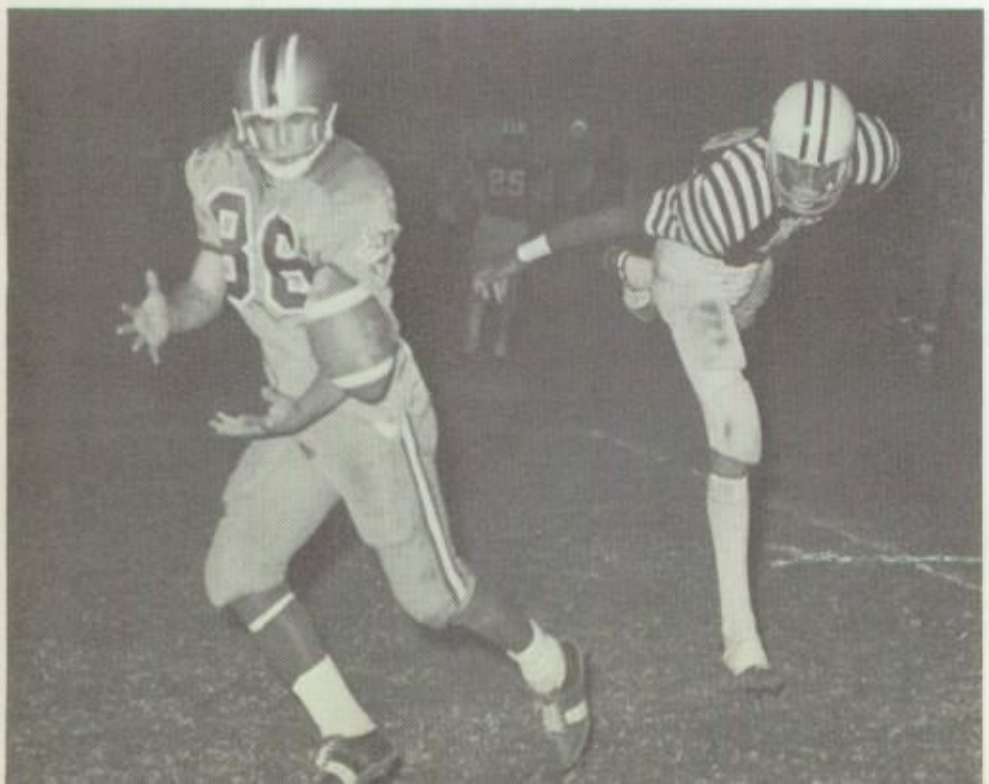
Kearny expected to "run over" Morse on the field, but things didn't happen that way as shown.

Kearny

Rated as an "underdog," Morse played the Kearny Komets at Aztec Bowl for the C.I.F. Preliminaries. The first score of the game came on a 16 yard romp by fullback Bill Smith in the first quarter. However, the Komets tied the score in the second quarter. A 35 yard pass to Joel Kneebone set up the next Tiger score which was a 7 yard rush by Bill Smith. In spite of the strong Tiger defense, Kearny tallied another touchdown but Morse held a narrow lead by a 13 to 12 margin as the first half ended.

Bili Smith highlighted the third quarter with a 50 yard run to the Kearny 6 yard line. Seconds later, an intercepted pass in the end zone foiled Morse's opportunity. Meanwhile, the Komets scored the go-ahead touchdown and had a 19-13 edge on Morse. Undoubtedly the most exciting ending of a football game happened in this game. During the last two minutes of the game, on the verge of defeat, tackle Avery Clark recovered a loose Kearny fumble and rambled to the Komet 11 yard line. On the next play, Rick Halsey passed to Mike Hawks for the TD. Hawks' kick was good and Morse captured a 20 to 19 victory.

Mike Hawks snags a Rick Halsey pass.



A man for all seasons . . . Avery Clark.

University

After the most exciting ending of a football game in the history of Morse last week, the Tigers tangled with the University Dons for the C.I.F. Championship.

Once again rated as an underdog, the Tigers showed everyone who was *the* best at the end. The first Morse score came on a quarterback sneak by Rick Halsey after a sustained Tiger drive. The fierce Tiger defense did a superb job in containing the Dons' running attack. Jim Shepherd intercepted a low University pass and galloped 74 yards unmolested for the Tigers' second TD. The first half ended with Morse leading 13 to 0.

Bill Smith tallied the next touchdown on the opening kickoff. He trotted 85 yards for the score. University threatened to break the game wide open after two quick touchdowns. However, Greg Day proved differently by scoring on a 21 yard pass play from Rick Halsey. The Dons scored once again but the game ended with Morse the C.I.F. Champs by a 26 to 21 score . . . Congratulations, Tigers!!!

J.V. Football

J. V. Football is the stepping stone to Varsity. Most of the J. V. Players get valuable Varsity experience during their season with the J. V. football team. This year, the team was plagued with a number of injuries which hampered the season. A loss of halfback Alvin Veasey, defensive end Ernest Thomas, and guard Greg Miller — plus the other week by week injuries—dampened the season considerably. However, at the end of the season, six of the players were picked up by Varsity for the final game and the CIF playoffs. They were: linemen Greg Norfleet, Steve Wilson, and Marion Liuzza; backs Chris Nunez and Ken Moton; and end Eric Moseley.

Girl's Tennis

This year, our girl's tennis team accomplished much in their main goal; the encouragement of physical activity among the members of the fairer sex. Their team could be seen, after school, practicing hard to achieve the utmost in skill, and to learn all techniques and styles that would have some effect on their game. The team is small, but they have a great deal of merit and are really a part of the Morse Sports Department.

Cross Country

This year, our cross country team, under the direction of Coach Donnelly, enjoyed a fine season and placed high in the league standings. We had many fine harriers, many returning from last year. Added to these were the incoming sophomores, who contributed greatly to the success of the team. Our team also fared well in the Mt. Sac Invitational meet, and they proved again they were real Tigers.

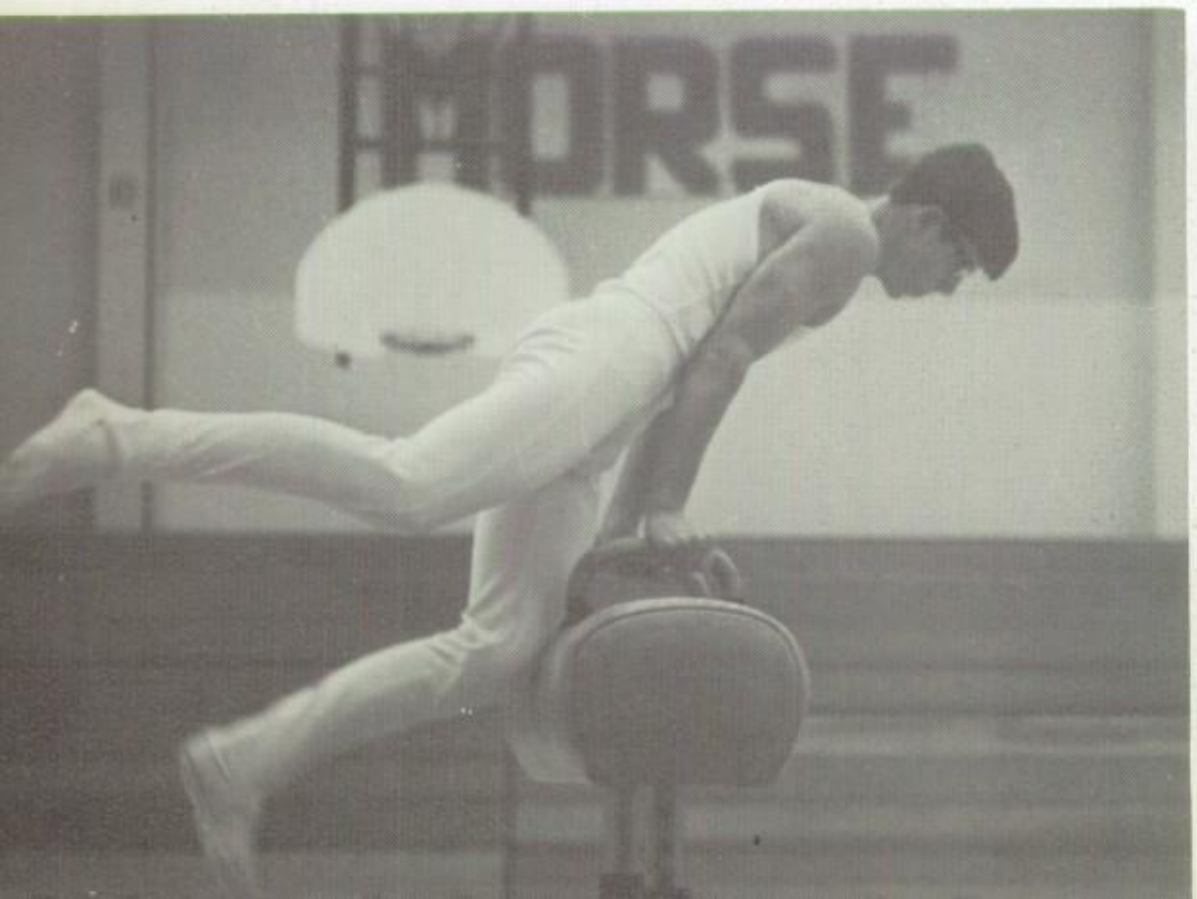
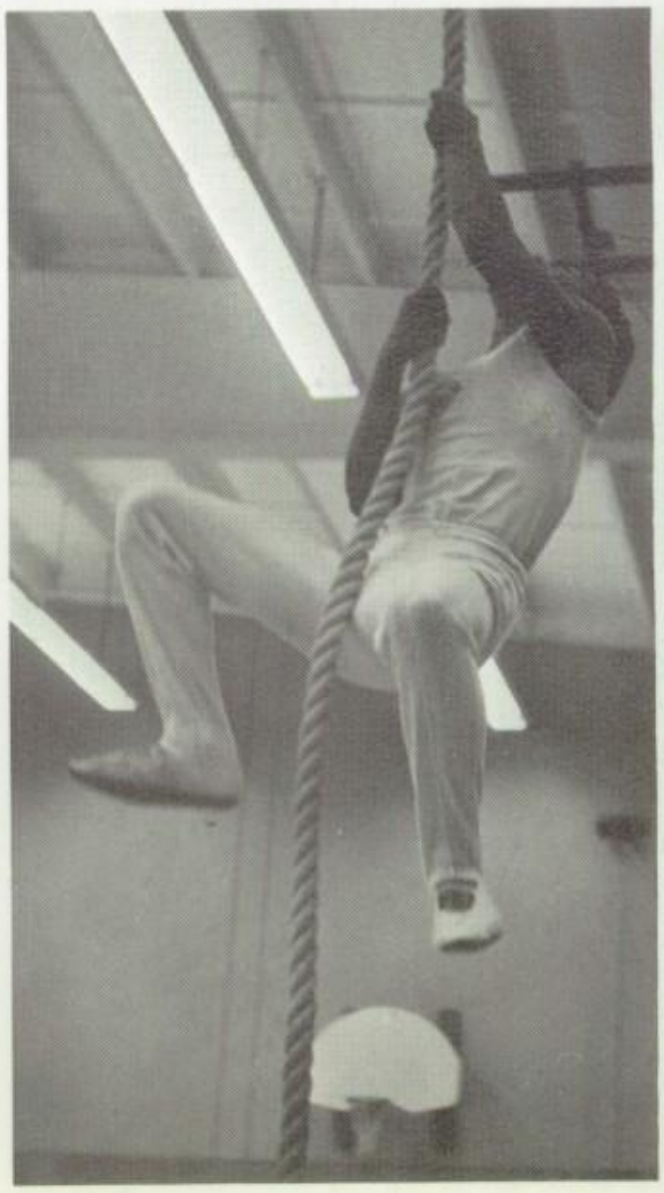
Gymnastics

Gymnastics is a sport of determination, stamina, and coordination. Because of the great physical responsibility, the gymnasts practiced long and hard to attain the utmost in physical fitness, endurance, and strength. This year, Coach Ed Olsen was in charge of the team, but because of its small size, they had difficulty in attaining what they had hoped for. Next year promises to be a fine one because of the returning number of sophomores and juniors on the team.

"Was I supposed to move my arms or my legs?"



"Tarzan started THIS way?"



"#&%$@$ &$%#@ %$¢$, I knew I'd lose those darn aspirin!"

Morse High had many fine gymnasts this year, but they were hampered throughout the season by the size of their team. This is evident in the scores of the games, but credit must be given to those gymnasts who were on the team for their fine job and their hard work. Also, credit must go to Coach Olsen for his fine job throughout the season and as the new coach of the team.

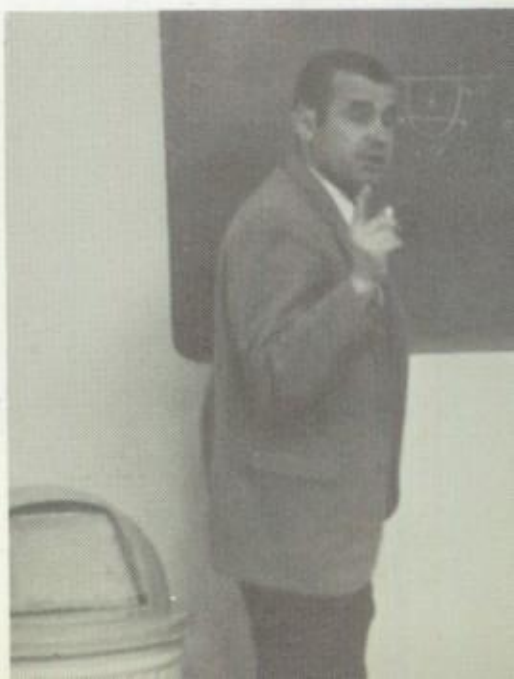
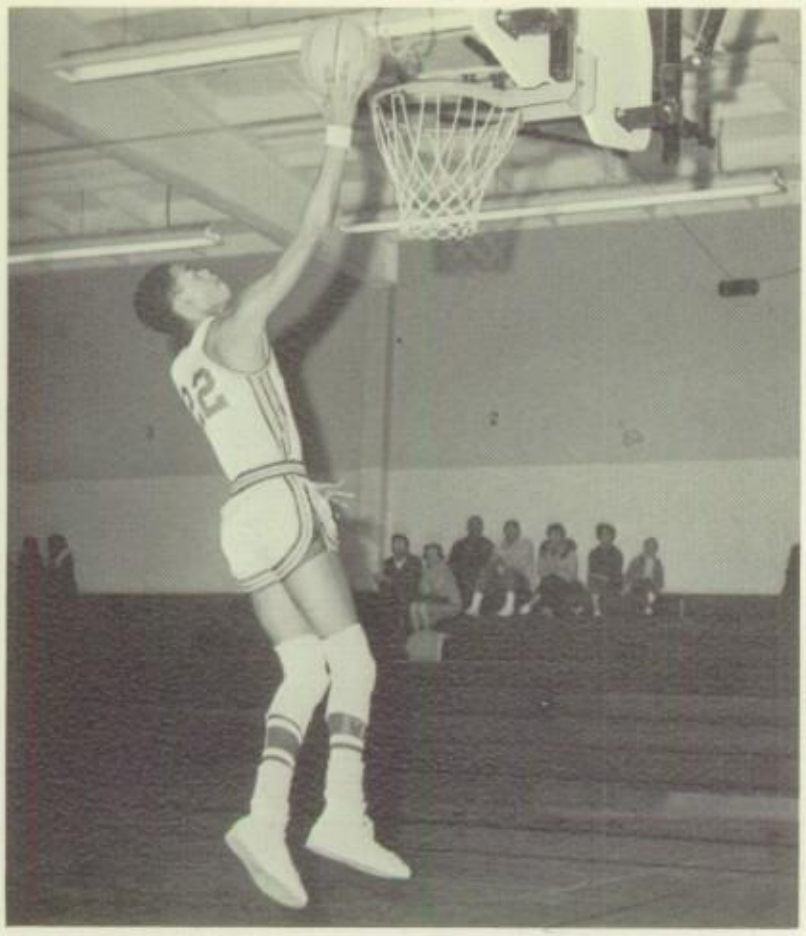
Varsity Managers.

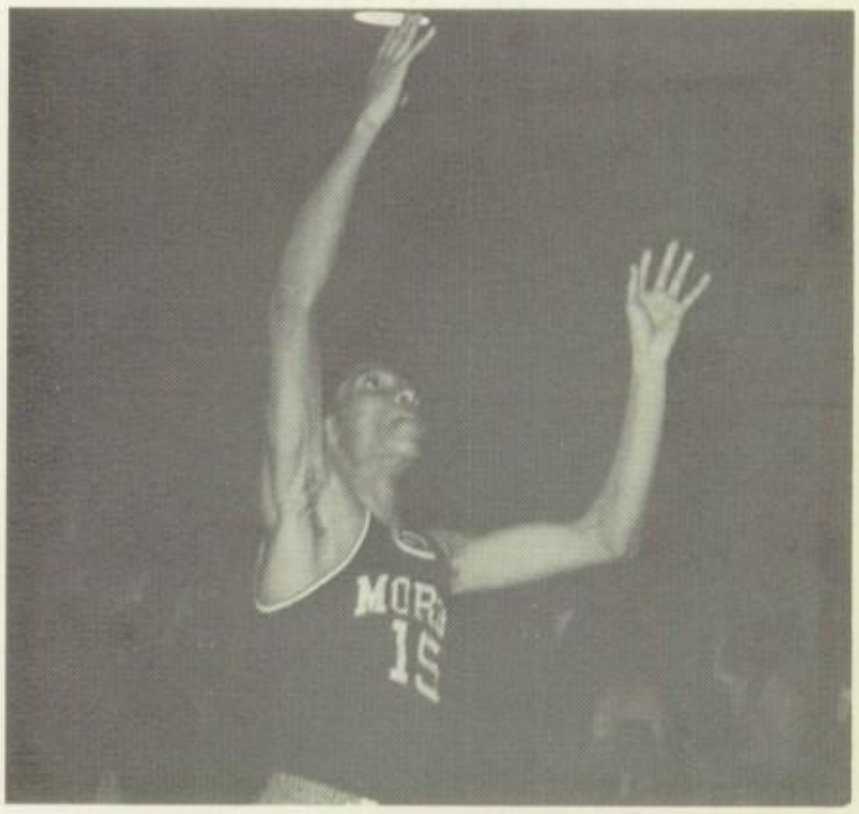
Coach Williams briefs his Tigers.





"A tisket, a tasket, two points in da basket."

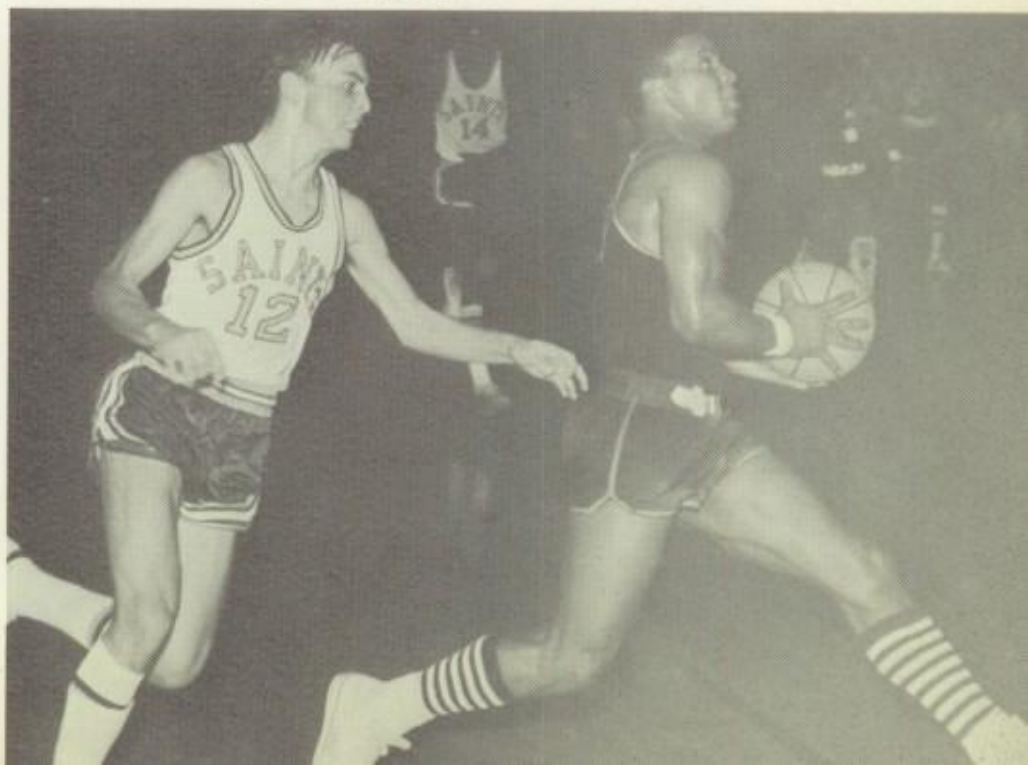
"Maybe if I used one hand I . . ."



"May Allah be pleased."

"So you can jump higher; we're still winning!"

"I'll bet you thought I was slow."



"Gimme that ball."

This year, our Tiger Varsity enjoyed its finest season in the history of Morse High. The final season record was 23 wins and 6 losses, beating the previous record of 20 wins and 9 losses which was set in 1968.

Our Tigers had a long list of accomplishments accredited to their team. They finished second in the El Centro Tournament, first in Eastern League (which is the toughest league in the county), and third in the C.I.F.S.D. Finals, after a disheartening last second loss to Madison, the game already in overtime. Most of the players felt that the "undersized, underrated Tigers" owed their success to team spirit and the willingness to win, which was apparent in all games they played, and lasted right down to the end.

J.V. Basketball

This year, our J. V. basketball team enjoyed one of its finest seasons and placed high in Eastern League. They were led by coach Pete Colonelli, a younger member of the Morse Staff. The highest scorers for the Tiger Cubs were Craig Seltenrich, Adrian Palma, and Mike Bento. They showed their stripes against teams like Hoover, San Diego, Henry, and Crawford.

This year's wrestling team showed all the Eastern League competitors who is #1 by downing them to take first place in Eastern League competition, a real great showing by the Tiger wrestling squad after a tremendous football season. This year, six Morse High records in wrestling were broken. Five of these were credited to Richard Ortega. They were: takedowns 30, reversals 24, predicaments 23, and near falls with 12. The other new record is credited to heavyweight Elton Brown for the fastest pin which was 16 seconds. The future looks bright for next year's wrestling with many returning matmen.

Baseball is more of a finesse sport than a physical sport. In fact, the most physical task a player is required to do is swing a bat. Our Morse Varsity, led by Coach Nellis, was a very good squad and they had a great deal of finesse. But this alone doesn't win ball games so they had a great many more factors to their team than this. This was apparent in their winning spirit and high morale, not to mention their great skill.

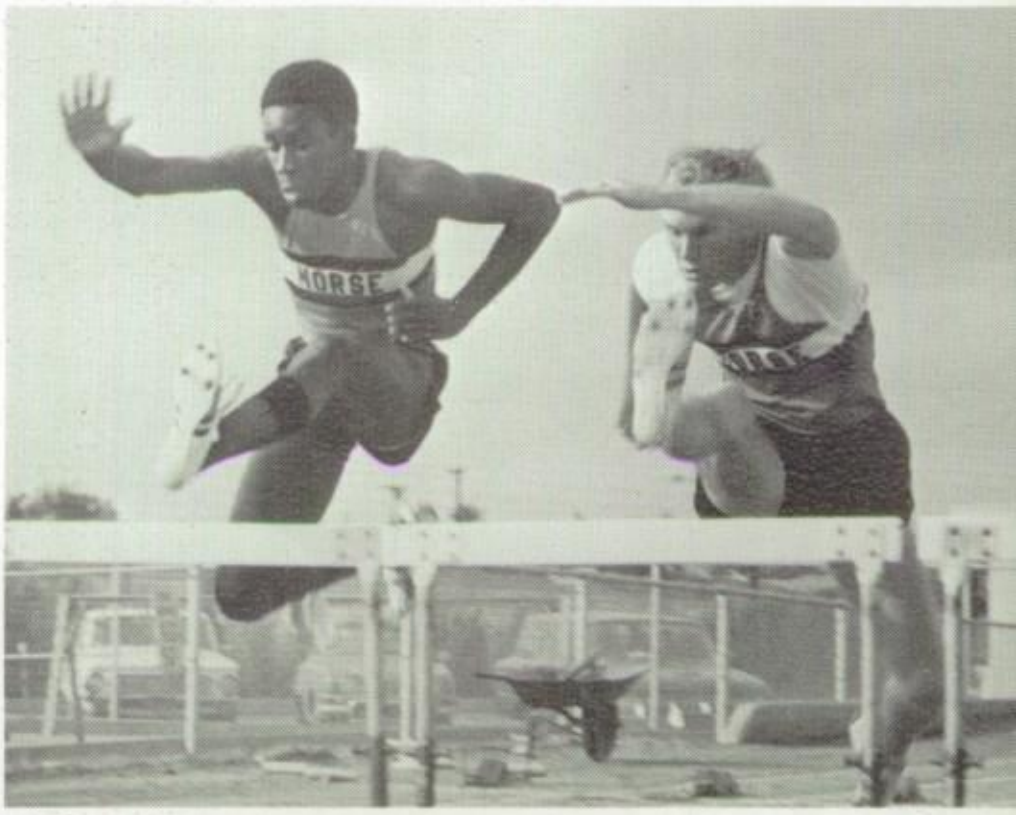
Schedule

Mar Vista 57	Morse 61
Chula Vista 57	Morse 61
San Diego 61½	Morse 56½
Lincoln 85	Morse 33
St. Augustine 41	Morse 77
Bassett (L.A.) 43	Morse 75
Patrick Henry 44	Morse 74

Milton Alexander heaves the shot put for those few precious inches.



Salmond Jordan and Jim Steadman, two of our Tiger hurdlers.

The winning effort of this years' track team can be described as a team effort. So far, the Tigers have league wins over St. Augustine and Patrick Henry. Morse was barely nosed out by San Diego by a score of 61½ to 56½. Standouts on the track squad this year are senior Duane Robinson who has a time of 10.0 seconds in the 100 yard dash and ranks ninth in the county. Another is Dozzell Thomas in the high jump with a 6′-2½″ leap. Other standouts include the 440 relay team and the mile relay team. Aspects for the future are good as the team improves each year.

Dozzell Thomas shows his high jumping form.

Morse long distance runner, Jim Cooper.

Mark Cunningham hands off to Greg Day in the relay.

Mark Cunningham has a unique way of breaking the tape.

Shown long jumping is Larry Aschenbrener.

The long jump is one of the many talents of Arty Chaves.

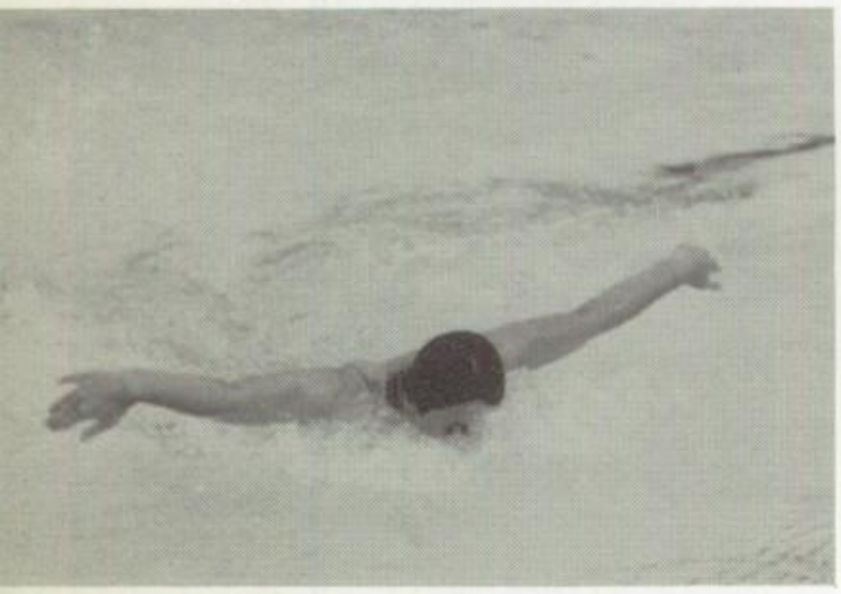
And they're off!

This year, our swimmers had a fine team and upheld their end of Tiger domination in sports. They were led by swimmers Bob Helt, Bruce Root, Roger Yelton, divers Kurt Burdette and Tom Edmonston. The web-footers were coached by the new addition to the staff at Morse, Coach Steve Simon.

Girls' Swim Team

(or more commonly known as Patti Bruce)

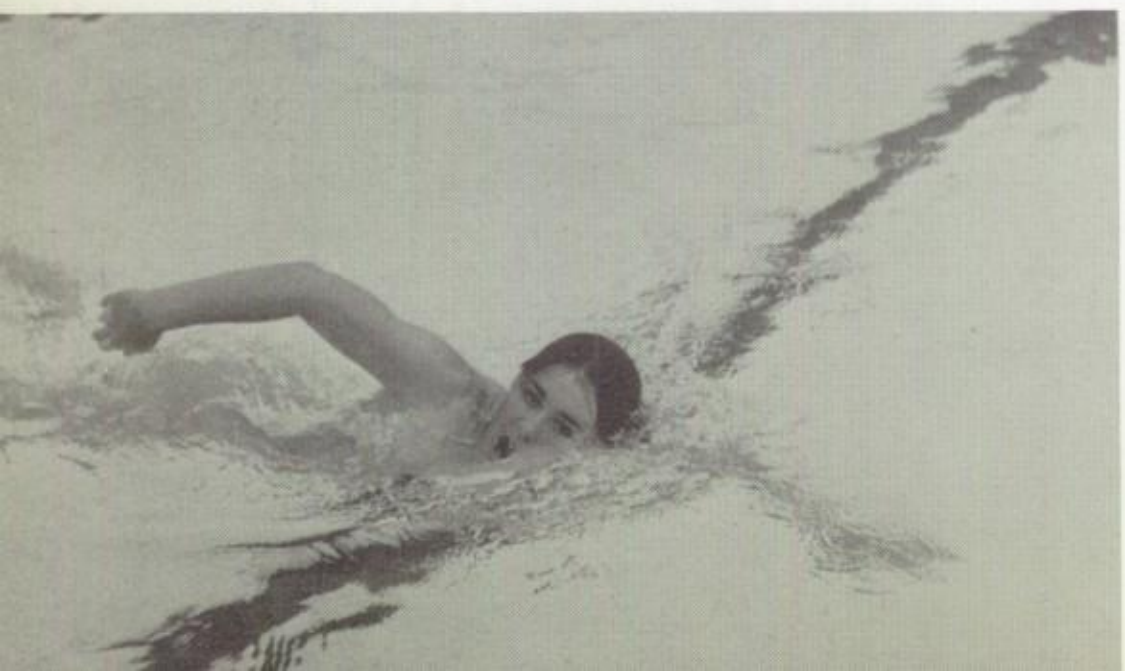


Patti is way out in front.

"I can fly!"

Patti Bruce, as you might have thought, was not the only girl on the swim team. There were about six more regulars besides her. But these other girls couldn't find the time to get their pictures taken for the annual. So, this page is devoted to the one person who cared, Patti Bruce.

She has won many races.



Patti has a fantastic free style.

SCHOOL SPIRIT

Patti,

Well we finally made it huh? I'll always remember when we were younger we were really close and I'm sorry we didn't stay as close as we were but I'll never forget having as a friend for years. Have a lot of fun this summer and take care of yourself. Good luck in your future years and God bless you.

Love,

"Symbol of Succes

The Custom Debuts at Morse

The class of '70 greeted their rings with joy, excitement, and triumph at being one of the lucky ones to receive their rings on time.

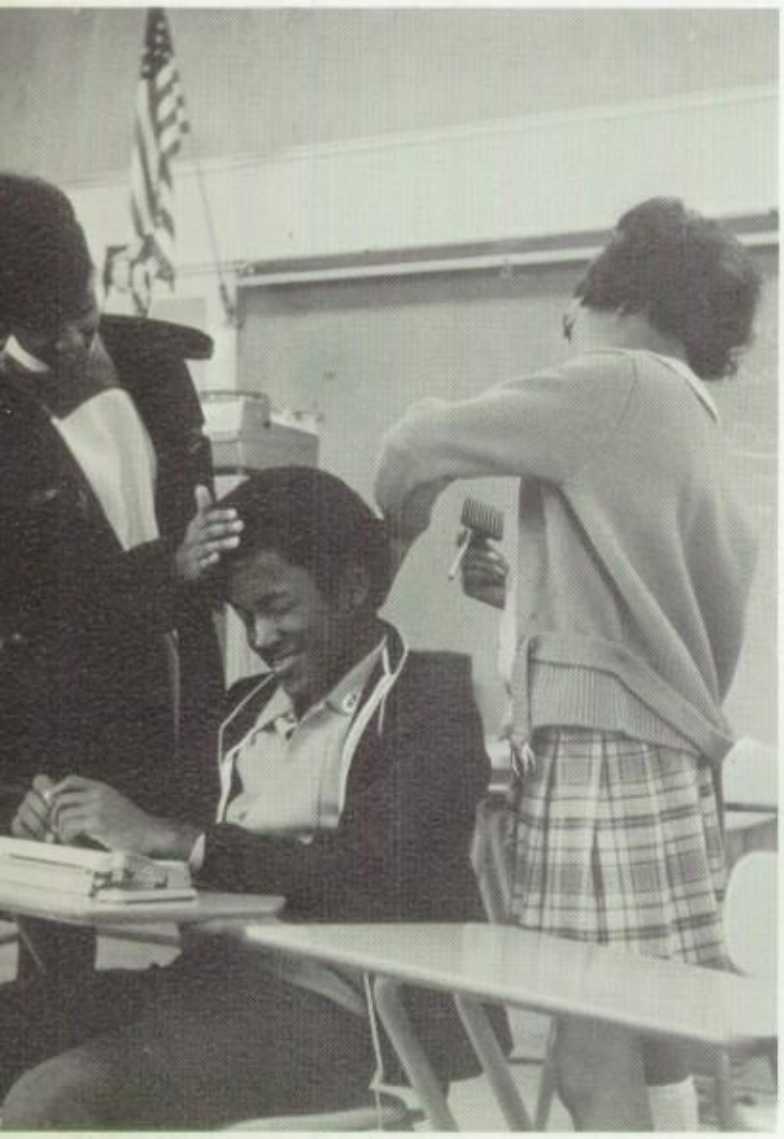
However, 155 girls were disappointed when they discovered their rings were misplaced in delivery. But, all turned out well, the rings finally arrived. Everyone was happy.

It's a pain in the . . . eye, but Mary proudly displays her ring anyway.

"I hope you didn't lose mine."

Pam and Sandy show off their rings even while eating.

"Goodbye Mr. Archebique, wherever you are."



"Gimme a head with hair."

The "eyes" have it.

If you give your sister some cheerios, she might let you use her lipstick.

Juniors

Around Campus

Juniors can be caught in unpredictable poses. Everywhere you look, you will find juniors doing something out of the ordinary. Past the "silly" sophomore stage, and not quite "sophisticated" seniors, the juniors are a unique brand of students. See for yourself, what kind of people juniors are.

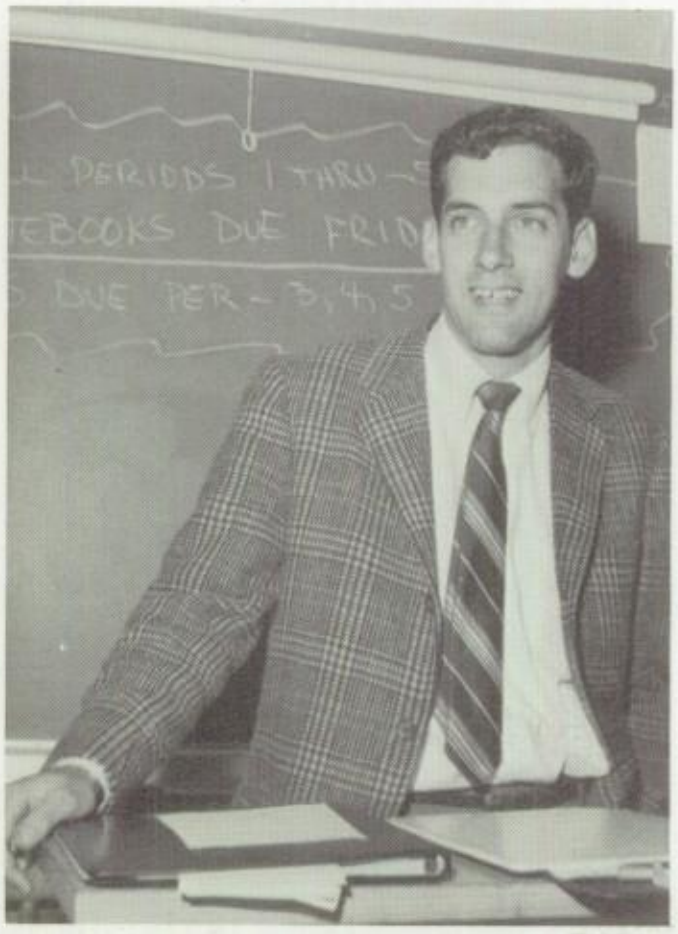
The "great fight" scene.

Counseling and Advising



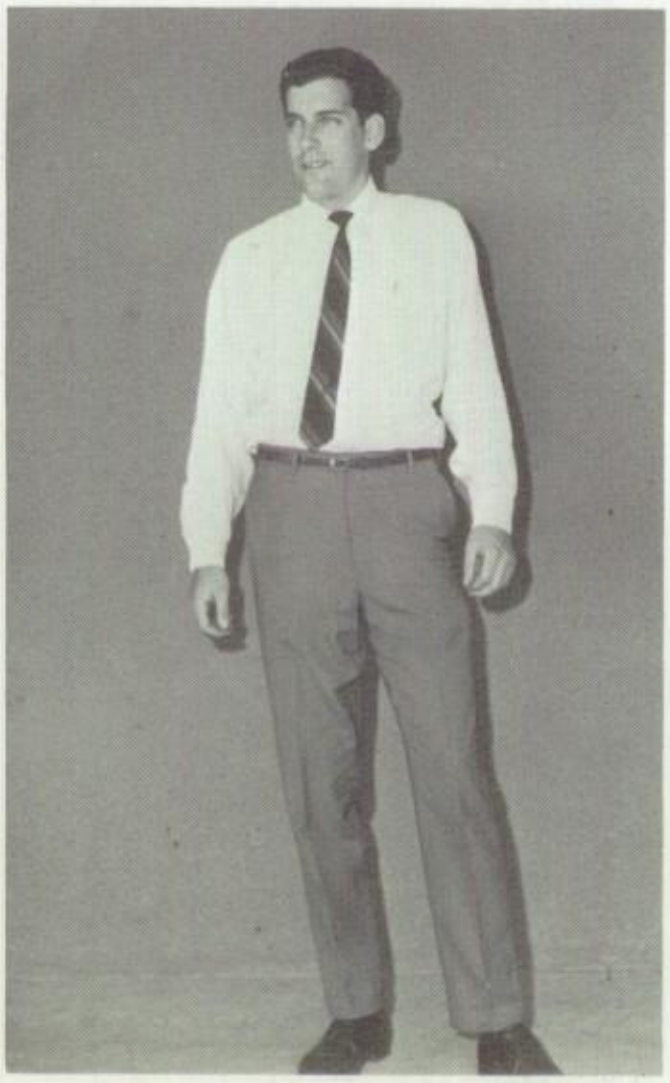
Organizing activities kept Mr. Wendling busy.

Aside from teaching English, one of the things that kept Mr. Wendling busy this year was activities — organizing Junior activities to be exact. Mr. Wendling and the Junior Class Officers met weekdays after school to make this year a year that was.

Mr. Avery was likewise — busy helping Juniors. But, scheduling classes seemed to be what kept his hands full. Plotting the way towards graduation for each and every Junior was a never ending job.

This is why one page was set aside, to tell students, teachers, and parents, who helped to make the Class of '70 a better class.

Mr. Avery helped Juniors every day.



Mr. Wendling lines up.

A rare moment of solitude.

AMERICAN FIELD SERVICE

The first male foreign exchange student Morse has ever had came during "The Year of the Tiger." Juan Moya, since the beginning of September, has become one of the most outstanding A.F.S.ers Morse has ever had. He has participated in many activities such as the International Club, Key Club, and Boy's Federation. His cheerful personality and competent qualifications for AFSer appealed to the whole student body at MHS.

The meaning of AFS to Juan is: "A.F.S. is the seed which grows and builds better understanding and friendship among different countries. It is the open door for peace, a bridge between the people of the world. I came to the United States to live with an American family and attend my senior year at Morse. I've learned customs, ideas, problems, and have gained interests. We A.F.S. students learn to recognize and respect similarities and differences of culture for a better, friendlier world."

Can you dig it?

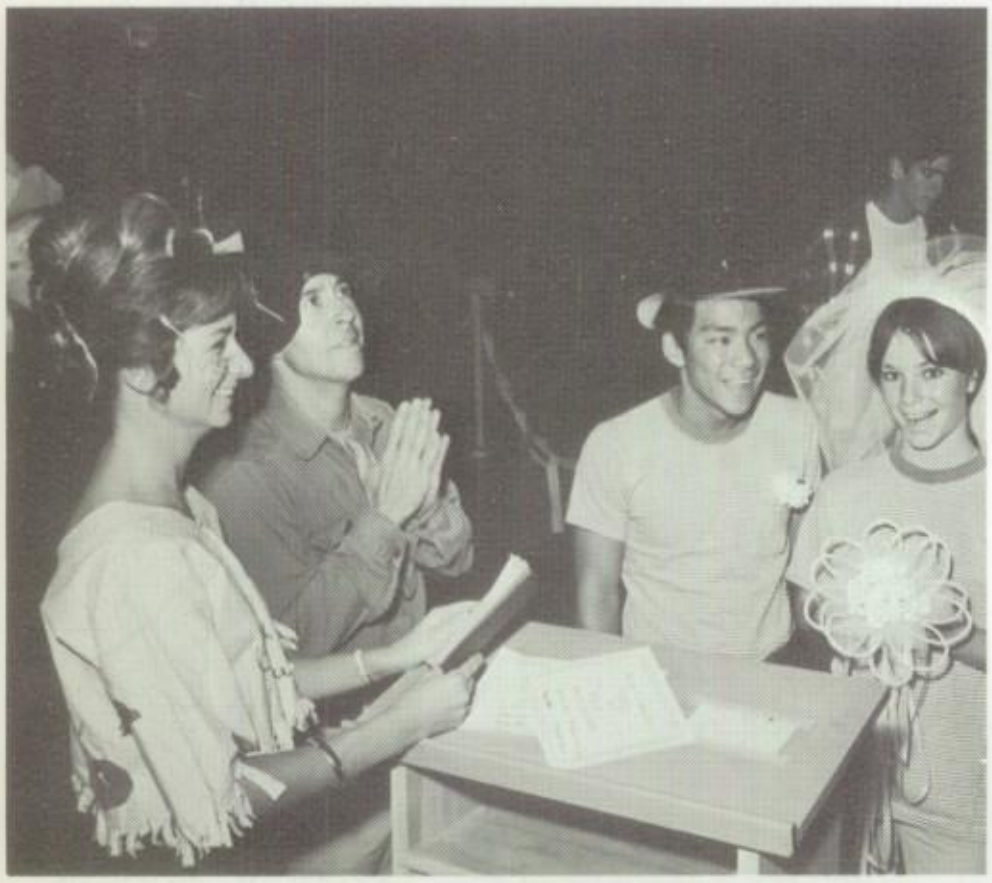
Juan's national pastime is playing soccer.

The Sadie Hawkins Affair



Say "I do" . . . "I do?"

Do you accept credit here?

'I'm going to end it all!

The Girl's League sponsored their annual Sadie Hawkins affair, better known as the Haystack Hoedown. It was held October 11, 1968 in the school gym, and was the first dance of the year. Marryin' Sam was on hand for some illegal hitchin'. The highlight of the evening was the naming of Patti Bruce as girl of the Month for October. Music was provided by the Generations.

HOMECOMING '68

It's a Small World was the theme for the '68 Homecoming season. Many events happened during the week. The Homecoming Pep rally was one of the best put on this season.

A new tradition, proposed by the Seniors, was having Senior Week combined with Homecoming Week. More important was the elections of Homecoming Queen and her Attendants. Laura Warr was crowned Queen at half-time.

ACTIVITIES

This year will always be remembered in the minds of all Tigers as "THE YEAR." Proud to say Morse has taken C.I.F. for the first time in the short history of M.H.S. Avery Clark and Elton Brown, team captains, led their team to victories. Greg Day received an award as the "Most Valuable" player on the Varsity football team. Steve Israel received an award as "Most Valuable" in Cross Country.

A special thanks goes to all the fine coaches here at Morse for a job WELL DONE.

THE CRUCIBLE

"The Crucible" is a modern American drama, which lays open a tangle of superstition, hypocrisy, and vengeance.

In 1692, Salem, Massachusetts, a young girl by the name of Abigail Williams tricked the church and government officials by playing on superstitious beliefs. She causes Elizabeth Proctor to be arrested as a witch. Her chief motive is to satisfy her lustful desire for Elizabeth's husband, John. The tragedy is compounded by a frenzied growth of superstition, and guilt by accusation.

Royalty In Its Finest Form

The romance, elegance, and mood of the Caribbean Room of the El Cortez Hotel, fulfilled a dream come true to all who attended the A.S.B. Ball on Friday, March 14, 1969.

The Fortes set the musical atmosphere for an evening of enjoyment.

A bouquet of red roses and a crown were bestowed upon Marcie Miller and Terry Antoine, as having the honor of being King and Queen at the A.S.B. Ball. Joining the royal couple were attendants Mike Altinger, Glenda Mitchell, Brian Jones and Romelle Foster.

POP CONCERT

Morse has proven herself in more ways than one; scholastically, academically and talent-wise. On April 13th and 14th, under the supervision and guidance of Mr. Underwood, Morse participants did "their thing" and did it well.

The Pop Concert included the singing and dancing of talented Morse students, while the Monte Vista High dancers added their talent to the concert too.

The time and effort put into the show made it very successful and the Morse student body enjoyed it as the "Better Idea."

Key Club-Faculty Basketball Game

This year's Faculty-Key Club Basketball game was no different from the past—the Faculty won. No matter how hard the Key Club tried, the Faculty seemed to stay on top.

Coach Schimpf and Jim Sands were the referees who did their best to make sure the best team won. The final score was 43-29.

Students vs. Faculty Volleyball Game

The annual Faculty vs. Student Volleyball Game was held April 30 at 3 p.m. in the school gym. Many were present to cheer or jeer the fighting teams on for a victory. Win or lose, both the faculty and students enjoyed themselves.

Oh the FRUSTRATION of it all!

The Reserve Officer Training Corps

Again this year, the R.O.T.C. has proved that the Tigers are the very best. As an organization that has been on campus for only two years, it has distinguished itself. The youthful organization, led by Sgt. Loughran, has won virtually every competition this year.

During class periods, cadets learn drill, military tactics, and many other things pertinent to military life. It is, however, the extra-curricular activities that the cadets pride themselves on. Any day after school, cadets can be seen practicing drill, color guard, or fancy drill. This practice has paid off, for this year the cadets have won two out of three drill competitions.

A real source of pride this year has been the rifle team. Led by Major Tom Staton, the rifle team is undefeated. They have won a ten man city competition, the Chula Vista and Sweetwater Invitationals, and second place in the San Diego C.I.F. Championship.

Clearly their determination and work has helped the cadets learn responsibility as well as preparing them for the future.

Boy and Girl of the Year

A big happy smile greets everyone who knows Laura. She is a very active young lady and can be seen darting in and out everywhere on campus. Laura was very active throughout the whole year, serving as Girl of the Month for September, head songleader, and on the ASB council, just to mention a few. She is warm and friendly with an outstanding personality. We are proud to have her as our Girl of the Year.

Laura Warr

Always willing to help. That perfectly describes our Boy of the Year, Avery. He was very active throughout the year serving as Boy of the Month for September, Senior class president, on the ASB council, a captain on the Varsity football team, and Varsity basketball team. He also possesses an outstanding personality that made him Boy's Federation choice to serve as Boy of the Year.
